

High School Profile

2021 - 2022

CEEB CODE 672090

IB CODE 000104

For 70 years, JIS has prepared students from across the globe to be best in what they aspire for and at the same time, be best *for* the world they live in. We learn by reflecting and relating, by being resourceful and resilient. Service is one of our core values here at JIS, and as a Community of Care, we will work with our service partners to help children, families, and organizations in need with real, meaningful actions. We encourage every member of our Dragon family to make long-lasting changes and always strive to be Best *for* the World.

2021 UPDATES

Throughout the pandemic, JIS students continued to receive high-quality education and were taught and assessed to ensure they met learning outcomes. In March 2020, JIS transitioned to home/online learning, and as of October 15, 2021 JIS has not returned to full capacity, whole day in-person instruction, in accordance with the regulations set by the Ministry of Education of Indonesia.

JIS students have faced significant challenges accessing standardized tests during the pandemic. Most SAT examinations since spring 2020 were cancelled in Indonesia. Additionally, many students were unable to sit AP examinations on campus and were required by College Board to take at-home testing at 11pm, 1am and 3am local time. We ask that universities take this into account when evaluating students' applications.
