Head Teacher:

Mr R S Samra B.A., M.A.

Dear Parent/Carer,

I am proud and delighted to inform you that following the recent full section 5 Ofsted inspection the school achieved the following grades:

Quality of Education - Outstanding
Behaviour and Attitudes - Outstanding
Personal Development - Outstanding
Leadership and management - Outstanding
Sixth Provision - Outstanding

Overall school grade- **Outstanding**

To achieve outstanding in every section on the new more exacting Ofsted framework is a major achievement and one which we should all be hugely proud of. The outcome of this inspection, building upon our two previous Ofsted inspections, places Southam College in the top 1% of schools nationally!

I could not be more proud of the students and staff whose talent, hard work and dedication is responsible for achieving these consistently exceptional outcomes. I would also like to thank you for your amazing continual support of the school.

Southam College is a truly unique school with an inspirational ethos. Driven by a strong moral purpose we aim to make every day a brilliant day for every student. This was something recognised by the Ofsted team during their two days in school.

The future is exciting for Southam College and this report should be celebrated by all involved with the school. However, we will not be complacent but use the findings of this inspection as a launchpad for even greater things in the future.

We will always work as hard as possible for our students, your children.

I attach the full report to this letter.

Bursting with pride.

Yours sincerely

Mr Samra
