Statement of Pandemic Impact on Class of 2022

The Class of 2022 was online from February through April 2020; thereafter our school has consistently been open for in-person learning for those present in China. The 2020-21 school year commenced 10 August with 90% of students and 40% staff on campus using a blended model with substitute teachers supervising many lessons in person and only 12 of the 34 IB classes had returning teachers. From August 2021 all staff are on campus.

SIS relocated to a new secondary campus, referred to as SIS Net Valley. All Grade 12 students are on site and we are open for face-to-face teaching to begin the 2021-22 school year.
