OVER →

Available Vaccines:

Quadrivalent

For persons 6 months and older • the “regular” flu shot

High Dose Quadrivalent

For persons 65 years and older

Studies have shown that the high-dose flu vaccine is safe and more effective for seniors than the regular flu shot

Flublok

For persons 18 years and older • Suitable for adults with egg allergies

FluMist

For healthy children 2 - 18 years • the nasal spray vaccine • limited supply

Insurance Information

The following insurances are accepted:

Medicare (part B) • Aetna • Cigna • UnitedHealthcare • Husky/Medicaid

Anthem BC/BS* • Connecticare*

** With the exception of their Access Health CT / CT Exchange plans (platinum, gold, silver, bronze plans)*

Insurance card for each person must be presented at clinic.

We reserve the right to refuse service if insurance card is not presented.

All others must pay by cash, check, or credit card.
