UNIFIED SCHOOL DISTRICT

To: Tracy Unified School District Community Members
From: Dr. Brian Stephens, Superintendent
Date: October 12, 2021
RE: Intradistrict Transfers Board Policy (BP) Administrative Regulation (AR)

The Governing Board desires to provide enrollment options that meet the diverse needs and interests of district students and parents/guardians, while also maximizing the efficient use of district facilities (Intradistrict Open Enrollment BP 5116.1). The Board of Trustees also desires to provide options for schools of choice dependent upon space available. The parents/guardians of any student who resides within district boundaries may apply to enroll their child in any district school, regardless of the location of residence within the district. (Education Code 35160.5).

"The future belongs to the educated"

In that effort this letter provides a list of schools which may have space available for additional students for the 2022-2023 school year. A list of those schools and open enrollment applications shall be available at each school site, the district office and on the district's website.
