AFFIDAVIT OF SUPPORT

What is the Affidavit of Support?

The Affidavit of Support is an application provided by Bethel University and is used to determine a student's eligibility for financial assistance. It utilizes an in-depth needs analysis basing your family's contribution to your college fees on three years of income. This document is required by the U.S. government showing that you are financially capable of attending Bethel University before we can issue your i-20 to make an Embassy appointment. The form is available on the international student information web page. You can also request a copy of the form by emailing Admissions@BethelUniversity.edu.

You and/or your parents will need these documents to complete the Affidavit of Support:

- | | |
|-----------------------------|---|
| ● Tax returns | ● Current mortgage information |
| ● Wage statements | ● Business and farm records |
| ● Records of untaxed income | ● Records of stock, bonds and other investments |
| ● Current bank statements | ● Benefits and retirement plan information |

When should I complete the Affidavit of Support?

The Affidavit of Support will need to be completed along with the other application materials in order to receive an admission decision. However, if you would like to be considered for an international scholarship, the deadline is February 1.

I-20 FORM

The I-20 form for obtaining an F-1 Student Visa will not be issued to an admitted student until the student has submitted their initial deposit to Bethel University. If the initial balance is not paid, an I-20 will not be issued. All but \$350 of this deposit may be refunded after an I-20 has been issued if a student cancels or has their visa denied before they enroll at Bethel.

PROCEDURES FOR VISA APPLICATION

For incoming international students, Bethel will issue the I-20 form and pay the SEVIS fee from the student's funds. The I-20 and receipt of payment will be mailed to the student. Once those documents have been received, the F-1 student visa application process can begin. Detailed visa application procedures can be found online at <https://travel.state.gov>.

Students must complete an online visa application (DS-160) and make an appointment with the US Embassy or Consulate. Students are required to take several pieces of documentation to this interview (valid passport, visa application fee in cash, confirmation sheet of application form DS-160, self-addressed SMART envelope for return of passport, photograph, I-20, fee receipt, and proof of funds). Once the visa has been received, a student can enter the United States no sooner than 30 days prior to the start date listed in the I-20.

TRANSFER OF ACADEMIC CREDITS

Students must submit official transcripts from all postsecondary institutions attended. Students transferring course work from institutions outside the United States must have their transcript evaluated by International Credential Evaluations, www.incredevals.org, World Education Services (WES), www.wes.org or by a Bethel approved accredited agency. A comprehensive course-by-course evaluation is required. Upon receipt, the Bethel registrar will determine the transfer of credit to Bethel University.

SCHOLARSHIP OPPORTUNITIES FOR INTERNATIONAL STUDENTS

Bethel University financial assistance for international students is limited. Therefore, each student is responsible for finding his/her own source of funds. Seeking sponsorship is highly encouraged, as international student awards vary and apply only to tuition. International students are eligible to receive the following scholarship opportunities if eligible:

Academic/Merit Scholarship: Range from \$4,000-\$16,000 per year; granted upon acceptance if eligible

International Student Scholarship: Vary in amount

Talent Scholarships: Athletic, music, theatre, and/or art: Vary in amount

Church Match Scholarship: if your church gives a scholarship, Bethel will match it up to \$1,000

Awards may vary based on academic abilities, athletic abilities as assessed by coaches, or music/theatre/art talents as assessed by faculty. Students should connect with someone in their area of interest for additional information. Merit awards and the international student scholarship do not require additional applications.

The International Scholarship Committee awards international student scholarships based on academic achievement, test scores and leadership qualities. Students receiving the award must live on campus and are subject to scholarship rules in place at the time of enrollment.

CAMPUS EMPLOYMENT

International students are permitted to apply for campus jobs, and may do so once at Bethel University. International students are restricted from off-campus employment by the regulations affiliated with their F-1 student visa status and are limited to 20 hours of on-campus employment per week while classes are in session.

ACADEMIC POLICIES

Grading Scale: A: 4.0, B: 3.0, C: 2.0, D: 1.0

In order for undergraduate international students to maintain their F-1 student visa status with the United States government, they must enroll for at least 12 credit hours of classes each semester (fall and spring). Students must maintain a cumulative 2.0 grade point average on a 4.0 scale to be considered academically qualified to continue studies. A cumulative grade point average below 2.0 is classified as academic probation, and students have one semester to re-establish good academic standing before dismissal from the college and loss of their F-1 student visa status.

STUDENT LIFE ON CAMPUS

Bethel is an evangelical Christian university and is committed to the highest ethical and spiritual values. All students are required to attend chapel services on campus three times a week during the fall and spring semesters and to abstain from the use of tobacco, illicit drugs, and alcoholic beverages, both on or off campus. Bethel also follows the Biblical precepts regarding sexual purity. Students living in campus housing have curfew hours each day: Sunday - Thursday, 12:30 a.m.; Friday and Saturday, 2 a.m. With a variety of clubs and student organizations, Bethel University offers engaging activities for everyone.

REGIONAL CLIMATE

Four seasons are experienced each year in northern Indiana. Winter (December - February) is very snowy and cold. The average high in January is 2 degrees Celsius and average annual snowfall is 1.8 meters, so students should be prepared for temperatures of freezing or below. Students should have a very warm coat, boots and gloves for this season, which may be purchased locally as seasons change. The summer months (June - August) bring the average high temperatures up to 25 degrees Celsius. Moderate to cool temperatures and rain are experienced in the spring (March - May) and fall (September - November). The various seasons offer a variety of outdoor activities for Bethel University students.

TRANSPORTATION

Public forms of transportation are available via airlines, trains and buses. Intercity bus and taxi service is available near Bethel's campus. Students arriving via air can choose to fly into the South Bend Regional Airport, which is about 13 kilometers from Bethel University, or they can fly into O'Hare or Midway Airports in Chicago.

INTERNATIONAL STUDENT COORDINATOR

The International Student Coordinator is the person who counsels international students concerning their needs while on campus. Matters such as housing needs, immigration law, visas, OPT/CPT, etc. are handled through the International Student Coordinator. Orientation/Welcome Week is mandatory for all new Bethel students as well as a mandatory international student orientation for all new Bethel international students. This orientation includes information on F-1 rules and regulations, campus employment, a meeting with the Wellness Center staff, and other events designed to help new international students adjust to the regional culture and meet new people. You can contact the International Student Coordinator at sue.matteson@betheluniversity.edu.
