CONCORD, CALIFORNIA**

OFFICE OF THE PRESIDENT

The amazing work of our faculty and staff cannot be distilled easily. The *De La Salle High School Fact Book 2021-2022* is an attempt to create a single-source reference document with significant statistics and trend information on academic programs, learning outcomes, faculty members, students, applicants, finances, and alumni. It is intended as a resource for institutional planning and assessment and assists us as we benchmark and consider areas of strength and growth.

Several sources were used in its preparation, including data internally generated from the offices of Academics, Admissions, Advancement, Alumni Relations, Finance, Human Resources, and the Registrar. I am grateful for those offices and the work of our entire adult and student community endeavors as we seek to build Men of Faith, Integrity, and Scholarship.

Suggestions for the continued enhancement of the *Fact Book* are welcomed.

SECTION I
2021-2022 SCHOOL PROFILE

2021-2022 SCHOOL PROFILE

De La Salle High School is a private Lasallian Catholic high school for young men founded in 1965 by the De La Salle Christian Brothers of the District of San Francisco. De La Salle is located 30 miles east of San Francisco and primarily serves students of Contra Costa County. The campus lies on almost 20 acres, with facilities that include a 400-seat theater, library, large music facility, gymnasium, pool and athletic field complex, computer center, multi-media design studio, a student center, STREAM (Science, Technology, Robotics, Engineering and Math) building, a Learning Center, and the Bob Ladouceur Athletic Performance Center.

The student population reflects the diversity found in the ethnic, cultural, and economic realities of the county, and the school encourages this diversity in the composition of its student body. The school population of approximately 1,030 students is composed of African-American (4.0%), Latino/Hispanic (18.9%), Asian (3.7%), Caucasian (49.6%), Filipino (5.2%), Multiracial (15.0%), Pacific Islander (1.6%), and other ethnicities (2.0%).

Eighty-two dedicated professionals comprise De La Salle's administration and faculty. Six members have earned doctoral degrees, and 50 members have earned master's degrees in their related fields of administration, teaching, counseling, or library services. The faculty is noted for its professionalism, warmth, support, and availability to students and their parents. De La Salle High School is served by a President/CEO who works in collaboration with and provides direction for the Vice Presidents, who serve as division leaders. The Vice Presidents for Academic Life, Athletics, Advancement, Finance and Senior Staff for Office of the President constitute the President's Cabinet. In addition, there are six counselors, two of whom are college counselors. The Campus Ministry program involves students of all faiths at every grade level.

The students' families support the school with volunteer time (over 25,000 hours each year) through their participation in the Parent Association, Alumni Association, academic events, the performing arts programs, and interscholastic athletic events. This commitment of parental support is a distinguishing characteristic of De La Salle.

Each year the Admissions Committee considers applicants from approximately 100 parochial, private and public elementary schools. Enrollment is selective, and acceptance is based upon the applicant's performance on the High School Placement Test, academic records, and recommendations of the principal, counselors, and teachers. The school seeks to attract students of varying academic abilities from diverse cultural, ethnic and socio-economic backgrounds. De La Salle promotes positive expectations in a supportive environment for students who can benefit from the Lasallian educational philosophy. In response to the Lasallian mission to serve students from families with limited financial means, De La Salle provides financial assistance to approximately one third of the student body, five percent of whom receive substantial financial support.

De La Salle is accredited by the Western Catholic Educational Association (WCEA) and the Western Association of Schools and Colleges (WASC). De La Salle received a full accreditation during the 2015-16 school year. The next accreditation visit will be held in February of 2022. De La Salle is affiliated with the National Association of College Admissions Counselors (NACAC), the California Scholarship Federation (CSF), the National Honor Society (NHS), and the National Education Council of the Brothers of the Christian Schools (NECBCS).

Curriculum

The curriculum is designed to provide a thorough education rooted in the traditions of the Catholic faith. It also seeks to meet the individual needs of each student as they prepare for college and life. The curriculum is coordinated with Carondelet High School, a private Catholic girls’ high school located across the street from De La Salle. Many upper-division classes are co-educational. Students are required to enroll in six class periods per day; any additional classes are beyond the minimum.

Graduation Requirement

English 40 credits	Social Studies 30 credits	Science 25 credits
Mathematics 30 credits	World Languages 20 credits	Visual/Performing Arts ... 10 credits
Religious Studies 40 credits	Electives 25 credits	Physical Education 20 credits
TOTAL CREDITS: 240		

Advanced Placement/Honors

Advanced Placement/Honors classes are available in grades 9-12 and include these academic disciplines: English, Mathematics, Science, Social Studies, Visual & Performing Arts, and World Languages.

Advanced Placement courses include:

Biology	English Literature	Physics 1
Calculus AB	Environmental Science	Physics C
Calculus BC	French Language	Spanish Language
Chemistry	Government	Statistics
Computer Science A	Italian Language	Studio Art
Computer Science Principles	Latin	U.S. History
Drawing	Macroeconomics	2-D Art & Design
English Language & Composition	Psychology	3-D Art & Design

Total # of AP students = 212, 2021 DLS pass rate = 73%, 2021 CA pass rate = 32.4%. DLS 3-year pass rate is as follows: 2020=72.7%, 2019=84.7%, 2018=88.0%

College Prep courses are coded “P” or “H” (Honors). Enrollment in honors and AP classes is limited, depending on space available and the individual students’ qualifications. In order to enroll in honors or AP courses, students must meet eligibility requirements and submit an application. Students over the age of 16 may participate in concurrent enrollment at any local community college. Work in Progress on the transcript includes both semester and year-long courses.

Grade Point Average

Grade Point Average (G.P.A.) is weighted. Value is given to pluses and minuses. No A+ grades are issued. One extra grade point is designated for honors and AP courses. Total G.P.A. only includes courses taken at De La Salle and at previous schools for transfer students. Remedial courses and courses for enrichment are not included.

Ranking

De La Salle does not provide class ranking for its students, but deciles are provided below. Because the school has a selective student body and a rigorous college preparatory program, class rank could be misleading in determining a student’s ability to successfully complete college work. Any course repeated to earn a higher mark, or any enrichment course taken elsewhere, is noted on the transcript but not calculated into the De La Salle cumulative G.P.A.

Class of 2022 weighted G.P.A. distribution – 6th semester cumulative grades – 240 students

1st Decile	4.07 – 4.67 G.P.A.
2nd Decile	3.86 – 4.06 G.P.A.
3rd Decile	3.73 – 3.85 G.P.A.
4th Decile	3.58 – 3.72 G.P.A.
5th Decile	3.46 – 3.57 G.P.A.
6th through 10th Deciles	1.99 – 3.45 G.P.A.

COVID Impacts

In March 2020, De La Salle High School switched to virtual distance learning for all classes. Instruction continued seamlessly and letter grades were issued using the same expectations and grading scale. All extracurricular activities and athletics were cancelled. For the 2020-21 school year, we began instruction through virtual distance learning until we were allowed by our county to offer hybrid instruction. At the end of October 2020, students were able to choose full-time virtual distance learning or hybrid learning, which allowed us to have half of the student body on campus for two days and the other half for the other two days. In the spring of 2021, extra-curricular activities and athletics slowly restarted. At the start of this 2021-22 school year, we have begun full-time, in-person instruction with all students on campus. All extra-curricular activities and athletics have resumed with modifications, following our county safety guidelines.

Many of the members of the Class of 2021 were not able to take SAT or ACT exams due to cancelled testing or limited available test centers. All local test centers cancelled testing from April 2020 to August 2020 and since then, there has been limited testing available. Of the students who were able to take a test, many of them were only able to take it once. Due to these circumstances and limited data available, we will not be reporting our testing averages.

College Matriculation – Class of 2021

81% four-year institutions (209 students)

California 4-year institutions: 32 different schools (17 public, 15 private)
(41% of the class)

Out-of-State 4-year institutions: 62 different schools in 30 states and Washington, DC and Ireland
(39% of the class)

16% two-year institutions (42 students)

SECTION XI
ATHLETICS

The De La Salle High School Athletic Department is committed to providing a well-rounded program for its student-athletes. The Athletic Department provides these student-athletes with a program that is not only physically challenging, but one that further promotes the spiritual and academic values of Saint John Baptist de La Salle. The Athletic Department recognizes and fosters the development of commitment, brotherhood, and sportsmanship, and instills in all student-athletes a sense of pride and achievement. The Athletic Department seeks to create an environment in which all student-athletes develop a sense of self-esteem and dignity in a Christian setting that is both moral and caring.
