

ACCIDENT INSURANCE

The Board will not act as insurer for any student, but recognizes the need for insurance coverage for unforeseen accidents which may occur in the course of attendance at school and student participation in the athletic program of the schools. The Board strongly recommends that parents purchase insurance.

The Board will provide insurance information so that parents will have the opportunity to purchase insurance coverage, at no cost to the Board, for injuries resulting from accidents sustained by students in school, on school grounds, at an activity sponsored by the school and while traveling between home and school.
