

NAMING NEW SCHOOLS

This policy sets forth guidelines to facilitate the naming of new schools in the district.

1. The Governing Board can name new schools in recognition of geographic location, or historical landmarks of the area which the school is to be located.
2. No school facility will be given the name of a commercial development.
3. Schools shall not be named after individuals.

The Board shall establish guidelines for content of all proposals to the Board for consideration.

The final selection shall be solely at the discretion of the Governing Board.
