Although no ticket purchase is required, please consider making a tax-deductible donation to the **Stevenson Foundation**.

The Stevenson Foundation is an independent nonprofit organization that provides crucial resources and opportunities to students and our Stevenson community. In addition to hosting a wide range of virtual events, the Foundation engages graduates through our Alumni Association and supports the school's mission of *Success for Every Student*. The Kids in Need (KIN), Stevenson to College (S2C), and Senior Scholarship programs help ensure that students are prepared to learn and able to achieve their dreams, regardless of obstacles they may face. The Stevenson: One Family initiative helps support financially-fragile families in our community who've been hardest hit by the current crises.

With your philanthropic gift, you will provide vital resources and support that SHS students and families need to succeed today and prepare for a bright tomorrow. Please donate today: **StevensonFoundation.org/Donate**

Theatre Parents Organization

TPO is a volunteer organization that works with the faculty of the theatre department to support and enhance the theatre program at Stevenson High School. So much goes into the numerous productions throughout the school year, and TPO helps out behind the scenes by providing snacks and meals during tech weeks. TPO also helps to plan special events, and works with the theatre staff in any way that benefits the program including concession sales and Thespian event supervision. TPO meets 2-3 weeks before each major performance to plan for upcoming needs and meeting dates are usually determined at a prior meeting.

We can use your help! Our goal is to involve all parents whose children have a love for theatre, are involved in theatre programming (whether that's through performing or the technical side), take curricular classes, or just love the theatre atmosphere. You can join TPO, and help support the SHS arts, by simply filling out the form found using the QR code or URL link below.

Why Teach Theatre in Our Schools?

Theatre is a SCIENCE.
Theatre is MATHEMATICAL.
Theatre is a FOREIGN LANGUAGE.
Theatre is HISTORY.
Theatre is PHYSICAL EDUCATION.
Theatre is LANGUAGE ARTS.
Theatre is BUSINESS.
Theatre is TECHNOLOGY.
Theatre is ECONOMICS.

Theatre is taught in schools
Not because you are expected to major in theatre,
Not because you are expected to perform all through life,
Not so you can relax,
Not so you can have fun,
But
So you will recognize BEAUTY,
So you will be SENSITIVE,
So you will be closer to an INFINITE BEYOND THIS WORLD,

So you will have more LOVE,
More COMPASSION,
More GENTLENESS,
More GOOD,
In short,
More LIFE.

Of what value will it be to make a prosperous living unless
You know how to live?
That is why theatre is taught in our schools.
