Regulations For Use Of Lodi Stadium Artificial Turf
Reference Policy 830

(A) 4-12-21

In an effort to provide the safest and cleanest facilities possible for all groups who request to use Lodi Stadium, the School District of Lodi has established the following regulations for use of the stadium. This form must be signed and returned prior to use of Lodi Stadium.

Stadium Field (Turf)

Since turf does not regenerate like natural grass, any item that is left on the field stays on the field. Failure to follow school established rules could impact the safety and longevity of the artificial turf for future users. Please keep in mind coaches and their respective schools are responsible for their players, coaching staff, administrators, and spectators.

Regulations (Team/Apparel Regulations)

1. Players, coaches, school employees, athletic trainers, game officials, and/or spectators must wear turf shoes, tennis shoes, or rubber cleats when on the stadium field. Metal cleats (baseball, etc.), track spikes, and golf spikes will not be allowed on the stadium field. Metal tipped plastic cleats are acceptable.
2. Any player wishing to wear cleats must wash their cleats before walking on the turf surface.

Regulations (All Users, including Teams)

1. At no time will gum be permitted on or around the artificial turf surface, this includes players, coaches, school employees, game officials, athletic trainers, and/or any spectators.
2. At no time will seeds or nuts of any kind (sunflower, peanut, etc.) be permitted on or around the artificial turf, this includes players, coaches, school employees, game officials, athletic trainers, and/or spectators.
3. At no time will confetti or any small non-degradable materials be used on or near the field.
4. At no time will bleach or any corrosive cleaners be used on the field, except for those cleaners permitted by the School District of Lodi Maintenance Staff and utilized under strict supervision.
5. Chairs, tables, canopies, tent stakes, corner flags, heaters, or any potentially damaging objects may not be placed on any part of the artificial turf without permission from the School District of Lodi Maintenance staff prior to use.
6. No dogs or animals of any sort are permitted on the field or in Lodi Stadium at any time.
7. No bikes, inline skates, strollers, or unauthorized motorized vehicles are allowed on the field at any time.
8. No golfing, archery, or track field events are to be held on the turf.
9. No athletic equipment is to be dragged across the field at any time. All goals and like equipment must be lifted and carried to the new location, unless the equipment is on wheels.
10. School events will have first priority to use Lodi Stadium. This may include previously unscheduled games, such

as playoff games or makeup games due to weather.

11. Outside requests may be canceled or rescheduled to meet the needs of the school district.
12. All users of Lodi Stadium are asked to clean up their team area after use to prevent any future hazards for players, coaches, officials, or spectators.
13. Any damage to the field, stadium, or concession stand caused by failing to follow regulations will result in a fine to cover the cost of cleaning and/or repair to restore the field to its prior condition.
