Transportation Program

2021-2022

Salesian has committed to provide a van shuttle transportation service for the upcoming school year. Your student can look forward to being picked up in one of our fabulous Salesian vans every morning and afternoon.

If you are interested in signing your student up for this program, we ask that you **complete and submit this form prior to August 2, 2021**. There is limited availability, and space is on a first-come, first-served basis. Once we finalize the numbers, we will provide you with the schedule of pick-up and drop-off times to best accommodate our families. The cost per semester will be \$600, paid in advance. If space is available, the one-way cost per semester will be \$400, paid in advance. If you choose to pay the entire year in advance, the cost will be \$1,100.
