Farm 2 School - 2020 CSBA Golden Bell Award Finalist

The OUHSD Farm 2 School Program began in 2016 under the leadership of Stephanie Gillenberg, Nutrition Services Director, and Anna Jackson, Program Coordinator. The OUHSD Farm to School Program values student voice and utilizes student leadership to develop program priorities: improved student nutrition, school gardens, locally grown food, and student leadership development.

The OUHSD Farm 2 School Program was awarded statewide recognition as a Finalist for the 2020 California School Boards Association Golden Bell Award.

Trustees congratulated the Farm 2 School Program for their Golden Bell award achievement, commended the presentations at the board meeting and all who have been involved in this program since its inception, especially the students' commitment to the program. Trustee Hall commended Trustees on removing the former out of County contractor for food services and going with the in-house staff as they can run this program just as well, if not better. Dr. McCoy gave a shout out to Stephanie Gillenberg, Director of Nutrition Services, for her drive to establish this program and the entire team for bringing this award to OUHSD. Dr. McCoy will share the virtual rewards celebration information once he receives it so Trustees, staff and students can participate. Marina Cleavenger, Student Board Representative, offered her congratulations as well and thanked the program as it has also helped the Nationally Green Club at ACHS.

9. PUBLIC COMMENTS TO ADDRESS THE BOARD OF TRUSTEES

Mike Giles, Gold Coast Aquatics, requested that the aquatic centers open asap as he felt these facilities are important to the surrounding communities.

Debi Owens requested that all aquatic facilities and fields be opened asap.

Sylvia Rodarte submitted an electronic comment about her disappointment in the removal of the sign for Mr. Robert Q. Valles at PHS Performing Arts Center but was pleased that it was put back up.

JoAnne Guerriere submitted an electronic comment about her concern of the installation of drinking fountains at the new district office instead of water filling stations.

○ Students can pick up meals at any site within the district.

○ Meals at CIHS, HHS, OHS, PHS and RMHS have community feedings and any student and family can access a meal at no charge.

○ ACHS and RCHS have a free and reduced lunch application program.

11. STUDENT REPRESENTATIVE TO THE BOARD - MARINA CLEVINGER

- Marina Cleavenger reported that she polled students about their access to grab and go lunches, 1:1 devices and hot spots and all students were successful in acquiring what they needed, zero complaints.
- ASB is working hard to keep students engaged and some examples were: HHS Link Crew assisted incoming freshmen by offering some distance learning techniques and ACHS held their socially distanced senior sunset.

Marina informed Trustees of two concerns that students have at this time:

1. Students that are not mentally and physically safe with social distance learning at their home and the steps these students can take to get excellent Intervention Specialists at their schools.
2. Students are happy with the Inclusivity Task Force but would like to expand it beyond the LGBTQ+ community to a larger group of student population and wondered how subcommittees can come about for the Inclusivity Task Force.

Trustees asked that Dr. McCoy follow-up on the concerns brought forward by students through Marina and inform Trustees, at the next Board meeting or the meeting following, of the outcome. They would like Marina to report back on the progress of the two issues. Trustee Herrera welcomed Marina as she was absent at the last meeting. She also asked Marina how Trustees can help students continue to feel part of a community at school during this time of distance learning. Trustees would like to engage as many students as possible at all district campuses.

Trustee Sher requested a break at 6:50 p.m. The meeting resumed at 6:57 p.m.

Purchase orders totaling \$21,152,714.25 be approved, as presented.

- Purchase order (P.O.) A21-00323, City of Oxnard Police Dept.(OPD), is only to encumber funding and not to pay out any expenditures.
- OUHSD has not yet received any invoices from OPD for payment of services.
- The OPD contract expires June 30, 2022
- A staff report, at a future meeting, is required before any expenditures can be made to OPD
- Why does the district have to pay for police services that taxpayer money is already used to pay for police officer service (Dr. McCoy to include his response in a future report)
- How are officers chosen for the position of school resource officers; what kind of training, certification, experience with students, de-escalation specifically, if any, do these officers have to allow them to work on our campuses (Dr. McCoy to include his response in a future report)
- When a school resource officer is placed at one of our campuses does the city backfill the officer’s current position (Dr. McCoy to include his response in a future report)
- OUHSD is trying to renegotiate all resource officers contracts, lower percentage due, for services during COVID-19 as they are not currently working on campuses.
- Camarillo Police Department is issuing OUHSD a refund of \$175,000 for unused police services.

Motion: Trustee Hall moved to approve P.O. A21-00323; however, the Superintendent and Assistant Superintendent Business Services are not to pay against this P.O. until a staff report has been presented to Trustees. Seconded by Trustee Edmonds and carried unanimously with a roll call vote of 5/0.
