RE: Free Breakfast and Lunch for All Students

Dear Parent or Guardian:

Great news for you and your children! All students at the Interdistrict School for Arts and Communication can get a free healthy breakfast and lunch at school during the entire school year at no cost to you or your household. What do you have to do?

- You do not need to do anything.
- You do not have to pay any money or fill out any forms.
- You do not need to send your child to school early for breakfast. Breakfast will be part of the school day and will be available at each student's desk upon arrival to the first block of class each day.

Our school is providing free meals for all students through participation in the Seamless Summer Option of the National School Lunch Program for school year 2021-22. We look forward to serving nutritious and delicious meals to all of our students throughout the upcoming school year.

If you have any questions, please call our Director of Food Services, Charlie Bailow, at 860-447-1003.

Sincerely,
