

PROGRAM SAFETY GUIDELINES 2021- 2022

- During the program, all attendees will be required to wear a face mask. Mask breaks will be provided regularly and whenever requested.
- ASAP! follows individual schools/facility protocols regarding vaccinations and testing prior to programs
- Only vaccinated ASAP! teaching artists and staff can work indoors when others are present.
- ASAP! may request a negative Covid test prior to a program regardless of vaccination status.
- During the program all attendees will practice social distancing: 6 feet apart or as per school policy.
- Before arrival to the program, ASAP! will require staff to complete a Health Check-in Form.
- Anyone who is not feeling well will not attend the program.
- ASAP! will provide extra masks and hand and surface sanitizer at each program.
- If a program has bathroom facilities they will be cleaned prior to arrival and monitored in the case of large group activities. Cleaning wipes will be provided in bathrooms.

Any questions about our safety guidelines can be directed to Ali Psomas, Program Director, ali@asapct.org
