POLICY 3100 – FINANCIAL MANAGEMENT

(Last approved: 12/19/2019)

The Board will adopt a series of policies to provide direction regarding the School's budget and financial affairs which reflect the educational philosophy of Hogan Prep and provide a framework in which the HPA administration can effectively operate.

The budget and finance processes will conform to all state and local requirements as set forth by the State constitution, State statutes, Department of Elementary and Secondary Education rules, and Board policies. Good business necessitates keeping accurate, legal and understandable records of receipts and expenditures. It is also essential that procedures be followed which will help to insure that the budget adopted by the Board is effective in providing parameters for the fiscal affairs of Hogan Prep.

The purpose of Hogan Prep's budget and financial policies will be to provide direction for a systematized procedure that maintains continuity from year to year and informs the public regarding the education and financial operations of Hogan Prep.

Hogan Preparatory Academy Board Policies Section 4: Financial Operations

POLICY 3101 – FINANCIAL MANAGEMENT: FEDERAL FISCAL COMPLIANCE POLICY

(Last approved: 12/19/2019)

Fiscal Requirements under Title I, Title II, and Title IV of ESSA

Hogan Prep shall ensure that federal funds will be used to supplement, not supplant regular non-federal funds.

Documentation shall be maintained, or caused to be maintained, by the Chief Finance and Accountability Officer. The documentation must clearly demonstrate the supplementary nature of federal funds.

Prior to expending funds, the Chief Finance and Accountability Officer shall consult the appropriate OMB circular (OMNI Circular) or other federal guidance to determine what costs are allowable under the grant awarded. The Chief Finance and Accountability Officer shall ensure that all grant funds are expended in accordance with the requirements in Allowability and the Circular or other applicable federal law or rule.

Allowability

To be allowable under a federal award, costs must meet the following general criteria and be documented that such criteria are met:

- Be necessary and reasonable for the performance of the Federal award and be allocable thereto under these principles;
- Conform to any limitations or exclusions set forth in these principles or in the Federal award as to the types or amount of cost items;
- Be consistent with the policies and procedures that apply uniformly to both federally-financed and other activities of the non-Federal entity;
- Be accorded consistent treatment. A cost may not be assigned to a Federal award as a direct cost if any other cost incurred for the same purpose in like circumstances has been allocated to a Federal award as an indirect cost;
- Be determined in accordance with generally accepted accounting principles (GAAP);
- Not be included as a cost or used to meet cost sharing or matching requirements of any other federally-financed program in either the current or a prior period;
- Be adequately documented; and
- Be net of all applicable credits.

Hogan Preparatory Academy Board Policies Section 4: Financial Operations

Standards for Documentation of Personnel Expenses (2 C.F.R. §200.430, OMNI DESE Memo FAS-15-003 Time and Effort under the OMNI Circular, April 2, 2015)

Time and Effort: Records are required for all employees, including teachers, paraprofessionals, administrators, and other staff that are paid with federal funds to document the time and effort they spend within the program. The portion of the federally paid salary should be reflective of the actual activity, not budgeted, the individual has put forth for that federal program. Time and effort reporting is required when any part of an individual's salary is charged to a federal program or used as a match for a federal program.

Semi-Annual Certification: Where employees are expected to work solely on a single Federal award or cost objective, charges for their salaries and wages will be supported by periodic certifications that the employees worked solely on that program for the period covered by the certification. These certifications are required to be prepared at least semi-annually.

Monthly Personnel Activity Report (PAR): Where employees work on multiple activities or cost objectives, a distribution of their salaries or wages will be supported by personnel activity reports (PARs). Salaries or wages of employees used in meeting cost sharing or matching requirements of Federal awards must be supported in the same manner as those claimed as allowable under Federal awards. Charges for salaries must be based on records that accurately reflect the work performed. These records must be:

- Supported by a system of internal controls which provides reasonable assurance that the charges are accurate, allowable, and properly allocated;

- Incorporated into the official records;

- Reflecting the total activity for which the employee is compensated, not to exceed 100%;

- Encompassing all activities (federal and non-federal);

- Compliant with established accounting policies and practices; and

- Distributed among specific activities or cost objectives.

Charter Schools Program (CSP), ESSA Title IV, Part C

If Hogan Preparatory Academy receives CSP grants, the Chief Finance and Accountability Officer shall ensure that HPA shall comply and use the federal funds in accordance with all statutes, regulations, and approved applications.

The Chief Finance and Accountability Officer shall directly administer or supervise the administration of any projects funding through CSP funds, and shall use fiscal control and fund accounting procedures that ensure proper disbursement of, and accounting for, federal funds.

Hogan Preparatory Academy Board Policies

Section 4: Financial Operations

When using CSP funds to enter into a contract for equipment or services the Chief Finance and Accountability Officer shall comply with the applicable federal procurement standards.

Use of Federal Grant Funds for Procurement

The Chief Finance and Accountability Officer shall ensure that all procurement transactions are conducted in a manner that provides open and free competition. Awards must be made to the bidder/offeror whose bid/offer is responsive to the solicitation and is most advantageous to Hogan Preparatory Academy considering price, quality, and other relevant factors deemed appropriate by Hogan Prep.

Pursuant to the Conflict of Interest Board Policy, no employee, officer, or agent of, who has a real or apparent conflict of interest, will participate in the selection, award, or administration of a contract supported by federal funds. Employees, officers, and agents may also not solicit or accept favors, gratuities, or anything of monetary value from contractors or their agents.

- a. The solicitation of bids or offers must provide a clear and accurate description of the requirements to be fulfilled by the bidder, technical requirements to be performed including the minimum acceptable standards and specific features of brand name or equal descriptions that bidders are required to meet;
- b. Positive efforts shall be made to utilize small businesses, minority-owned firms, and women's business enterprises whenever possible;
- c. The type of procurement instruments used (eg. Purchase orders) must be appropriate for the particular procurement;
- d. Contracts are made only with responsible contractors who possess the potential ability to perform successfully under the terms and conditions of the proposed procurement;
- e. Procurement documents shall be made available, upon request, to appropriate government officials.

The Chief Finance and Accountability Officer shall ensure there is a cost or price analysis made and documented with every procurement action as well as appropriate documentation for the basis of contractor selection. The Chief Finance and Accountability Officer shall also ensure the evaluation of the contractor performance and document whether the contractor has met the terms, conditions, and specifications of the contract.

All prequalified lists of persons, firms, or products which are used in acquiring goods and services must be reviewed and kept current and shall include enough qualified sources to ensure maximum open and free competition.

Hogan Preparatory Academy Board Policies

Section 4: Financial Operations

Hogan Prep shall utilize the most appropriate procurement method based on the particular procurement. Hogan Prep will utilize one of the following methods or any more restrictive method:

Micro-purchases. Procurement by micro-purchase is the acquisition of supplies or services which are up to \$10,000. This purchase may be awarded without soliciting competitive quotations.

Small purchase procedures. Small purchase procedures are those simple and informal procurements for securing services, supplies or other property that cost between \$10,001 and \$249,999. Price and rate quotations must be obtained from at least two qualified sources.

Sealed bids (formal advertising). Bids are publicly solicited and a firm fixed price contract is awarded. This method is preferred for procuring construction.

Competitive proposals. The technique of competitive proposals is normally conducted with more than one source submitting an offer and either a fixed price or cost reimbursement type of contract is awarded.

Noncompetitive proposals. This is the solicitation of a proposal from only one source and may be used only when one or more of the following applies:

- o The item is available only from a single source;
- o The public emergency for the requirement will not permit a delay;
- o The pass-through entity authorizes noncompetitive proposals in response to a written request; and/or
- o After solicitation of a number of sources, competition is determined inadequate.

Travel Costs

Travel costs are the expenses for transportation, lodging, subsistence, and related items incurred by employees who are in travel status on official business of the non-Federal entity. These costs are reimbursable with appropriate approval and documentation of expenses. Travel costs charged to Federal awards/funds must meet the requirements of 2 C.F.R. § 200.474.

Travel costs may be charged on an actual cost basis, on a per diem or mileage basis in lieu of actual costs incurred, or on a combination of the two, provided the method used is applied to an entire trip and not to selected days if the trip and results in charges consistent with those normally allowed in like circumstances in Hogan Prep's non-federally-funded activities and in accordance with Hogan Prep's written travel reimbursement policies.

Cost incurred by employees for travel, including costs of lodging, other subsistent, and incidental expenses, must be considered reasonable and otherwise allowable only to the extent such costs do not exceed changes normally allowed by the school as a result of Hogan Prep's written travel policy.

Hogan Preparatory Academy Board Policies Section 4: Financial Operations

If these costs are charged to the Federal award, documentation must justify that (1) the participation of the individual is necessary to the Federal award, and (2) the costs are reasonable and consistent with Hogan Prep's travel policy. Documentation may include any of the following: an agenda; prior written approval; and/or written justification statement.

Hogan Prep shall not use its grant funds for temporary dependent care costs unless specifically permitted by the authorizing statute, regulation, and Department.

Compliance with Cash Management Improvement Act

In order to comply with the Cash Management Improvement Act (CMIA) the Department of Elementary and Secondary Education will only make payments to Hogan Prep for reimbursements. Reimbursements are only for funds "spent" – transactions that are recorded on Hogan Prep's books and the funds delivered to the recipients.

Hogan Prep may only make requests for payment once an initial budget application for the grants has been approved and must only include actual cumulative expenditures up to the payment request submission date.

Hogan Prep must at least annually submit an accounting of any interest earned on any Federal funds to the federal Department of Health and Human Services through the Department of Elementary and Secondary Education. The school may retain up to \$500 of earned interest annually on all combined Federal programs for administrative expenses. The school must document all administrative expenses in order to claim the interest offset. Under this section, the interest calculation is the amount of reimbursement times the annualized Federal interest rate for the fiscal year times the number of business days the funds were held until delivery. The federal interest rates may be found at <http://www.fms.treas.gov/cmia/index.html>.

Hogan Preparatory Academy Board Policies Section 4: Financial Operations

POLICY 3106 – FINANCIAL MANAGEMENT: FRAUD PREVENTION

(Last approved: 12/19/2019)

Hogan Prep is committed to protecting the public funds with which it has been entrusted. Minimizing the losses to fraud and corruption is an essential part of ensuring that all of the Hogan Prep's resources are used for the purpose for which they are intended.

The public is entitled to expect Hogan Prep to conduct its affairs with integrity, honesty and openness, and demand the highest standards of conduct from those working for it and with it.

Definition of Fraud and Corruption

Although there is no precise legal definition of fraud, the term is used to describe a multitude of offences, including deception, forgery, theft, misappropriation, collusion and false representation of material facts. Corruption arises when a person receives any benefit which influences them and causes them to act differently when conducting HPA business.

Hogan Prep's Response

Board policy requires that matters involving any financial irregularities are referred to the Superintendent for investigation. These matters are taken seriously and additional action, such as disciplinary proceedings and/or prosecution, will be taken where evidence of offences is found.

The Superintendent/designee will:

- Compile a report of findings for submission to the Board with a recommendation as to whether disciplinary action is appropriate.

- Where appropriate, coordinate with the police in order for them to consider taking criminal action.

- Advise departments on how to address procedural weaknesses identified during investigation.

The Investigation Process

The purpose of any investigation is to establish the facts in an equitable and objective manner. The process will involve the use of authority or delegated powers to:

- screen allegations or information to gauge their credibility;

- secure all evidence;

- interview suspects;

- interview witnesses;

- take statements; and

- coordinate with departments or other agencies (including the police).

The Superintendent/designee will establish and record the basis of the concerns raised and establish

Hogan Preparatory Academy Board Policies Section 4: Financial Operations

what further actions are required. The Board will be informed of all reported disclosures and the actions being taken. In the case of disclosures on alleged fraud and corruption, the Chief Financial Officer will inform Hogan Prep's external auditors.

Whenever possible, the individual raising the concern will be advised of the outcome of the investigation. If an individual is not satisfied with the response received and any subsequent action taken, they should put their concerns in writing to the Superintendent who will arrange any further investigation as he/she deems appropriate. The Superintendent will send a written response to the individual concerned.

Reporting Suspicions

If fraud or corruption is suspected, then the matter should be reported without delay. Employees should report suspicions to a supervisor at the outset and retain all evidence. However, if it is thought the supervisor might be involved or there may be a conflict of interest, the matter should be reported directly to a more senior administrator.

It is recognized that for some individuals, raising a concern under this procedure may be a difficult experience.

All reported incidents will be investigated.

All reports will be dealt with in confidence, with staff being informed on a need to know basis only.

To ensure that this policy is adhered to, and to assure staff that the concern will be taken seriously, Hogan Prep will:

- not allow the person raising the concern to be retaliated against for doing so;
- treat retaliation against whistleblowers as a serious matter leading to disciplinary action that may include dismissal;
- not attempt to conceal evidence of poor or unacceptable practice;
- take disciplinary action if an employee destroys or conceals evidence of poor or unacceptable practice or misconduct; and
- ensure confidentiality clauses in employment contracts do not restrict, forbid or penalize whistle blowing.

Overall Objectives

Hogan Prep's overall objective is to identify and maintain good practices, address weaknesses in current processes and introduce improved systems for the management of those processes. The end result is that of minimizing the amount of fraud and corruption which may occur within the system and significantly reduce the opportunity for fraud or corruption to occur in the future.

Hogan Preparatory Academy Board Policies Section 4: Financial Operations

POLICY 3160 – FINANCIAL MANAGEMENT: INVESTMENT OF FUNDS

(Last approved: 12/19/2019)

The Board has an obligation to the citizens of the Hogan Prep community to direct the management of HPA funds. The primary objective of Hogan’s investment plan will be legality, safety, liquidity, yield and the provision of a capital base for future needs. In the management of such funds, Hogan Prep adheres to the “prudent investor” rule. Investments will be made with judgment and care, under the circumstances, which persons of prudence, discretion and intelligence exercise in the management of their own investments. Funds will be managed for investment, not for speculation considering the safety of the funds invested and the probable income to be derived.

Hogan personnel, including Board members, who are involved in the investment of HPA funds, will not engage in any personal business activity which could:

1. Impair their ability to make impartial decisions concerning investment of HPA funds;
2. Conflict with proper execution of Hogan Prep’s investment program; or
3. Create an appearance of impropriety.

Hogan Prep employees and directors involved in investment of HPA funds will disclose any material interests in financial institutions in which they conduct business. Such disclosure will include, but not be limited to any personal financial/investment positions that could be related to the performance of Hogan Prep’s investment portfolio. Similarly, Hogan employees and directors involved in investment of HPA funds will not engage in personal investment transactions with the same individual with whom business is conducted on behalf of Hogan Prep.

Investments will be made through banks or securities dealers who have been approved by the Investment Committee of the State Treasurer’s Office. Such banks and securities dealers will have been subjected to an appropriate investigation by the staff of the State Treasurer’s Office. This investigation will include, among other things, a written review of the firm’s financial statements and the background of the sales representatives. All approved dealers must be fully licensed and registered FINERA Brokers/Dealers or exempt banks. Criteria used to select securities dealers include:

1. Financial strength and capital adequacy of firm;
2. Services provided by firm;
3. Research service available;
4. Resume, reputation, and qualifications of sales representatives.
5. Due diligence and firm references; and
6. State government expertise.

Hogan Preparatory Academy Board Policies

Section 4: Financial Operations

The performance goals of Hogan Prep's active investment management program, over time, should produce book yields which are greater than yields from low risk passive investments. In analyzing the results of Hogan's investment program, Hogan Prep will calculate the book yield and total rate of return on HPA funds compared to the appropriate security market indexes.

The Superintendent/designee will direct the preparation of quarterly investment reports providing a summary of Hogan Prep's current investment portfolio and all transactions executed since the last report. Such investment reports will be prepared by the appropriate bank(s) or security dealers for review by the Board and the Superintendent. Investment reports are considered to be public records and will be made accessible to the public.

Criteria and procedures implementing Hogan Prep's investment policy have been approved by the Board and are contained in Regulation 3160.

Hogan Preparatory Academy Board Policies Section 4: Financial Operations

POLICY 3170 – FINANCIAL MANAGEMENT: PURCHASES BY AND/OR SOLICITATION OF SCHOOL STAFF

(Last approved: 04/27/2020)

Conflict of Interest

Hogan Prep maintains a written code of standards of conduct which governs the performance of Hogan employees who may be engaged in the award and administration of contracts. These standards will include a prohibition against employees who are involved in the selection, award or administration of a contract supported by Federal funds, if a conflict of interest, real or apparent, would be involved.

A conflict of interest would arise if an HPA board member or employee, any member of their family, their partner, or an organization which employs or is about to employ any of the parties named in this paragraph, has a financial or other interest in the firm selected for the award.

Neither Hogan Prep board members, nor employees will accept gratuities, favors, or anything of monetary value from contractors, potential contractors or parties to sub-agreements. This rule will not apply to gifts of less than ten dollars (\$10,00), or is an unsolicited item of nominal intrinsic value. Violations of these conflict of interest provisions will result in disciplinary action up to and including termination for employees, and up to and including public of a violating Board member.

Endorsements

Employees of Hogan Prep will not endorse products or services in such a manner that will identify the employee as an employee of Hogan Prep.

Procurement Activities

In any purchasing activities all employees shall refrain from soliciting, discourage the offer of, and decline gifts if offered by any vendor wishing to do business with, or who is doing business with the School. Instead of making an offer of gifts, the vendor should be encouraged to discount the price of the goods to the school.

Solicitation/Distribution

The advertising of sale or distribution of any goods or service on school property, for any school activity, shall have prior approval from the building principal or Superintendent. This includes but is not limited to: school personnel, students, parents/guardians, relatives, general public and commercial businesses.

Solicitations of School Staff

Agents, solicitors, and salespersons will be denied the privilege of seeing the school staff during the school day except with permission of the administration.

Hogan Preparatory Academy Board Policies Section 4: Financial Operations

POLICY 3180 – FINANCIAL MANAGEMENT: PROCUREMENT OF PROFESSIONAL SERVICES

(Last approved: 12/19/2019)

The Board and the Administrators recognize that some professional services are necessary on certain occasions to assist in the governance of Hogan Prep. These services include attorneys to provide legal counsel with specific expertise regarding education policy matters, architects, certified public accountants to annually audit the financial statements of Hogan Prep and to provide answers to questions that arise during the course of the fiscal year. Similarly, it may be necessary to obtain financial advisory services to monitor the long range debt objectives of Hogan Prep, as well as, bond counsel to address questions that arise with existing debt and various reports occasionally sought by the Missouri State Auditor and the United States Treasury branch of Internal Revenue Service and others.

While in some instances it may be possible to seek bids for the financial services and bond counsel each time a need arises, there are also numerous benefits to maintaining longer term relationships with specific professionals. Having a satisfactory relationship with a professional service provider includes fair pricing, timely delivery, dependable and sound advice concerning areas of expertise, a personality match with administrators and board members and numerous other factors. As long as the board members and administrators are comfortable with the quality of services provided, it is not essential that annual bidding occur merely to drive prices to their lowest level. By losing historical memory of any professional service provider, Hogan Prep may in the long run incur more expense for the new firm to educate their representatives. On other occasions if the administrator expresses belief that service quality is slipping, expenses and fees are escalating at unacceptable levels, or any other non-favorable working situation is developing, nothing in this policy is intended to preclude seeking proposals from other vendors offering similar services. The Board and Administration believes that the collective expertise within Hogan Prep is sufficient to judge if and when seeking alternative providers is prudent.

POLICY 3230 – PAYROLL: EXPENDITURES FOR CERTIFICATED STAFF

(Last approved: 12/19/2019)

The Board shall expend for tuition, teacher retirement, and compensation for certificated staff an amount that reflects the requirements as outlined in state statute and Department of Elementary and Secondary Education regulations.

POLICY 3310 – REVENUE: REVENUE FROM TAX SOURCES

(Last approved: 12/19/2019)

POLICY 3710 – INSURANCE: INSURANCE PROGRAMS

(Last approved: 12/19/2019)

The Board shall maintain adequate insurance programs to cover property, liability and personnel, within the requirements of good risk management and state law. The administration will recommend to the Board the kind and amount of property, casualty and/or liability insurance needed for the protection of the Hogan Prep property, employees, and Board, and will administer insurance authorized by the Board, unless otherwise directed.

Every effort shall be made to obtain insurance at the most economical cost consistent with required service by obtaining quotations or by negotiations, whichever method is advantageous to Hogan Prep. Hogan Prep will maintain coverage on all buildings and capital outlay contents. Coverage should be 100% without coinsurance if available.

Liability coverage should include comprehensive general liability, employee benefits liability, vehicular liability and school board legal liability. (See also Policy 3730 - Liability Insurance.)

POLICY 3730 – INSURANCE: LIABILITY INSURANCE

Hogan Preparatory Academy Board Policies Section 4: Financial Operations

(Last approved: 12/19/2019)

The Board recognizes that legal actions may be initiated from time to time against Hogan Prep as a corporate entity, against the Board as a whole, against Board members as individuals, or against HPA officers, employees or other agents. The Board also recognizes the contribution that is rendered to the Hogan students by volunteers and is mindful that legal actions may be initiated against these individuals as well.

To protect members of the Board, Hogan officers, employees, other agents and volunteers in the performance of their duties and responsibilities, the Board will defend its Board members, officers, employees, other agents and volunteers against claims for suits arising out of the performance of their duties and responsibilities. The Board shall indemnify its Board members, officers, employees, other agents and volunteers against all financial liability or loss resulting from such claims or suits including judgments for damages, attorney's fees, fines, court costs and amounts paid in settlement of such matters and reasonable and customary ancillary costs. Ancillary costs may include, for example, travel expenses incurred by Board members or others if they must appear for a case that is being tried outside the area.

The protection provided by this policy shall apply on an occurrence basis, which means that an individual will be indemnified even though he/she is no longer a member of the Board or employed by or otherwise associated with Hogan Prep when the lawsuit is filed.

The Board reserves the right, however, to deny representation and indemnification to any person covered by their Board policy in any instance in which there would be no coverage under the Hogan Prep applicable liability insurance program in which the claim "results in civil judgment or criminal conviction for" an intentional tort, immoral conduct, violation of any criminal or civil statute or violation of Board policy or regulations or administrative order or directive, whether verbal or written.

As a prerequisite to the right of legal representation and indemnification, any person who is served with legal notice commencing any action or proceeding against him/her for which indemnification is sought is required to immediately notify the Superintendent of the legal action after receipt of such legal notice.

Hogan Prep shall maintain a program of self-insurance and/or insurance coverage sufficient to provide the legal defense and indemnification described in this policy. However, Hogan Prep's purchase of liability insurance does not waive HPA's entitlement to sovereign immunity.
