

Welcome to Rochester High School, Rochester Falcon Families!

The Rochester Parent Teacher Student Association invites you to become a member of the PTSA. The PTSA is a partnership of all parents, students, and teachers – working together to enrich the education of our children. Membership is a great way to show your support of our mission to enrich our student’s high school experience. By becoming a member of the PTSA, you will receive a student directory and you are directly supporting the many activities at RHS, including student enrichments and teacher classroom grant requests.

Attending PTSA meetings gives you the opportunity to hear directly from our RHS Principal, counselor liaison, and learn firsthand about the latest happenings at Rochester. Please take advantage of being involved in our RHS community. Student PTSA members can earn service hours and PTSA honors cords by volunteering at PTSA events/activities, attending PTSA meetings, and fulfilling all required qualifications. PTA Scholarships are also available for qualified candidates. The dates for the 2021-2022 PTSA Meetings, held at Rochester High School, will be announced at the start of the school year.

You can make a difference – Volunteering is a great way to meet other parents, teachers/staff, and students. Share your time and talents by volunteering for PTSA events and activities throughout the year. For more information on any committee, please contact Michelle Mineau (rhspts1361@gmail.com) or Carolyn Reif (rhspts1361@gmail.com).

One and Done - RHS PTSA **DOES NOT** fundraise. Please consider a tax-deductible donation to sustain PTSA driven programs, as well supporting valuable and enriching classroom materials and projects. 100% of your contribution directly supports RHS students. Submit completed form online with [RHS PTSA Online](#) or print it and mail with check made payable to RHS PTSA to Rochester High School, PTSA Membership, 1361 Walton Blvd, Rochester Hills, MI 48309. Thank you for supporting RHS.

Please join and help support our students and staff!

Here are some examples of PTSA support from past years

- Amity Scholars
- Recycle Carts
- Books for Classrooms
- Staff Wish Box
- Virtual Autopsy Presentation
- Edison Robots
- Maker Space Materials
- Quiz Bowl Support
