

Social Security 101 Webinars

"Understanding Your Social Security Benefits"

Classes are offered at no cost to provide information for people approaching retirement.

Sessions cover many of the common retirement questions;

- * Eligibility for retirement
- * How age affects retirement benefit
- * How work affects retirement benefit

Also discussed:

- * Spousal benefits
- * Children's benefits
- * Survivor benefits
- * And a brief explanation of Medicare.

"The seminar was straight forward and to the point, covered all areas of social security benefits and provided good information in a clear and understandable format"
