National Fire Protection Association

What the code says about bulletin boards and decorations in schools

Only 50 percent of the wall area should be covered only if protected with automatic sprinklers - otherwise 20 percent of the wall should be covered.

BISD Emergency Management Overview

Sgt. Cindy Paz
Brownsville ISD Police

Texas Education Code – Chapter 37.108

- requires each district to have an EOP that addresses Prevention, Mitigation, Preparedness, Response and Recovery. Once the EOP is in place, drilling and training components of emergency management begin to identify areas in need of improvement, clarify roles and improve coordination.
- Additionally, the Texas Legislature requires school districts to conduct a safety and security audit of their schools and facilities at least once every three years.

EOP must...

- Be Multi-Hazard in nature
- Use the ICS and be NIMS compliant
- Be reviewed and updated on an annual basis
- Developed by your school safety planning team
- Contain updated maps
- Contain evacuation routes
- Roof & Underground access
- Room #s
- Identify personnel with specialized training
- Contain current student enrollment
- Contain documentation for Drills Training

Response Procedures

Lockdown

3 drills per year

Soft Lockdown

1 drill per year

Shelter in Place

1 drill per year

Evacuation

Monthly

Severe Weather

1 drill per year
