Hello Clemens Families,

## PE NEWS

This week in Physical Education class students practiced hula hoop skills and games. Monday students practiced individual hoop challenges. Tuesday, students played hula hoop tag and musical hoops. Wednesday, students were paired up with a partner and completed relays traveling using various movements; on signal each pair carried the hoop down to an end point and back in a relay style formation. Thursday students ran the indoor race track and then learned the widely popular game Sharks and Minnows! I look forward to another Fun- tastic week of Physical Education next week!

Sincerely,  
Mr. Burnett
