

## What is a School-Parent Compact?

A School-Parent Compact for Achievement is a written agreement describing how all members of a school community (parents, staff, and students) agree to work together to make sure all students reach or exceed grade-level standards. This compact helps bridge the learning connection between school and home.

### Effective Compacts:

- Link to goals of the school improvement plan.
- Focus on student learning skills.
- Describe how teachers will help students develop those skills using high-quality instruction.
- Share strategies parents can use at home.
- Explain how teachers and parents will communicate about student progress.
- Describe opportunities for parents to volunteer, observe, and participate in the classroom.

## Jointly Developed

- The TCES compact was developed by parents, students, and teachers with input collected at school PAC Meetings, school surveys, and in-person comments.
- The School-Parent Compact is updated every year to include parent, student and staff input. Parent, student and staff comments are welcome at any time during the year. Parents have at least two opportunities to provide input for compact revision. At least one opportunity is in-person.

## Building Partnerships & Parent Involvement

# Our Goals for Student Achievement

# Teachers, Parents, Students—Together for Success

## District Goals

- The Telfair County School District will increase the percentage of students scoring at developing learner or above on the Georgia Milestones Assessment System (End of Grade Test and End of Course Test) in English/Language Arts, Mathematics, Science, and Social Studies by 3% each year.

## School Goals

- 100% of Telfair County Elementary students will show academic progress/growth from the beginning of the year to the end of the year.
- By the end of the school year, Telfair County Elementary School will increase the percentage of students scoring at developing learner or above on the Georgia Milestones Assessment System (GMAS End of Grade Test) in English/Language Arts and Mathematics (grades 3-5) by 3% .

## In Our Kindergarten Classroom

The Kindergarten team will work with students and their families to help students achieve success in reading, writing, and math. We will work with families to support students in the following ways:

- Provide a weekly newsletter which includes letters, sounds, numbers, and sight words for parents to help review skills at home.
- Provide sight words list of the beginning of the year with suggested activities and websites.
- Provide daily guided practice for letter, number, and word formation.
- Model letter sound and math number concepts practice at Lunch-n-Learn to help parents better understand how to practice with their child at home.
- Provide parents with guidance on how to practice the fluency passage with their child each night.

## At Home

Telfair County Elementary parents joined staff to develop ideas about how families can support students' success in reading, writing, and math.

Some of our key at-home activities will be:

- Review letter names and sounds nightly for 5-10 minutes each night.
- Use number/quantity cards to practice number concepts and identification for 5-10 minutes each night.
- Help my child read through their sight word list nightly for 5 minutes.
- Read aloud with my child 3 times a week or more and ask them suggested comprehension questions.
- Complete homework as assigned.
- Check PowerSchool regularly to stay informed of student's academic progress.
- Practice reading fluency passage with my child each night.

## Telfair County Elementary School Students

To make connections between learning at home and school, I will:

- Read my fluency passage each day.
- Practice my sight word list each day.
- Use my number/quantity cards to practice each day.

OPTIONAL:

- My own personal learning goal is: \_\_\_\_\_.
- My teacher can help me reach it by: \_\_\_\_\_.
- My parent can help me accomplish it by: \_\_\_\_\_.
