

Child Find Notice:

The Texas Public School System, including China Spring ISD, is here to help all children ages 3-21, who may have an impairment or disability that might affect his or her success in school and life after graduation. These disabilities include, but are not limited to, Autism, Speech Disorders, Learning Disabilities or Physical Limitations.

If there is someone in your family who is in need of help, please contact China Spring ISD Executive Director of Special Programs, Lisa Howard, (254)836-1115.
