 - Huggins – Headsets 4 or 5 Classroom sets \$650.00
 - Garofalo – Microscopes (40) \$4,000.00
 - Clark – Headsets with Microphones (40) \$775.60
 - Balling -TI84 Calculators (4) \$500.00
 - Richman – OBOE (1) \$3,000.00
 - Ethington – VR (Virtual Reality)- No until further research. Concerns about accessibility to any apps the student wants. Use and exactly what product.
 - TOTAL: \$8,925.00
 - Motion to Approve Grant expenditures by Jennifer Matthews, seconded by Kevin Gipson, all voting members approved the motion.

- Mrs. Erickson Counselor report (webpage) Megan explored the use of the counseling webpage and specifically Catalyst Center, which explores option in education for all levels of secondary students. It was noted for example that Opportunity Scholarship is replacing Regent Scholarship.
- Mrs. Coyle: JSSC reports the likes and dislikes of Parent Teacher Conferences both in person and by phone. Net Ref has been implemented; a few complications are being worked out. Teachers are fine tuning Late State Wednesday. Among the successful use of that time is Student retakes and makeup work. Teachers feel there is too much to do in too little time compared to the use of Friday time last year, especially when district mandated meeting take up that time.
- Student report: Volleyball season ended, Boys' basketball season begins, Student Government has a successful dance. Upcoming events include Spirit Week, Hope Squad activities, Sub for Santa, Spirit T-Shirt Sales.
- Mr. Martini: Grading data, 7th grade Knight Academy is working and helping 7th graders have success. There are less failing 7th graders that other grades which is unusual for first term compared to other years.
- Budget is on schedule. Mr. Martini commented on the positive work Aides (paid for by Trustlands and TSSA) are doing to contribute to Student Success.

- Parent/Community Concerns
