

GENERAL INFORMATION

1. SCOPE:

The Wayne-Finger Lakes BOCES and Component School Districts of the Wayne-Finger Lakes BOCES and/or Agencies require **FRESH FRUITS & VEGETABLES**. The BOCES and School Districts have agreed to form a Cooperative Bid Group as authorized by General Municipal Law Section 119-o. It is the intent of the Cooperative Bid Group (hereinafter referred to as "Participants") to contract with vendor(s) and to establish prices for these items for the stated contract term. Notwithstanding the details presented in the specifications; it being understood that a complete reliable supply of **FRESH FRUITS & VEGETABLES** satisfactory to each user, shall be required in all cases.

2. AMENDMENTS TO BID:

Any verbal information obtained from or statements made by representatives of Wayne-Finger Lakes BOCES at the time of examination of the documents or site shall not be construed as, in any way, amending contract documents. Only such corrections or addenda as are used by the BOCES in writing to all Contracts shall become a part of the Contract. Any addendum issued during the time of bidding shall be assumed to be included in bids and become a part of the Contract Agreement.

3. DESCRIPTION OF BOCES:

3.1 The Board of Cooperative Educational Services (BOCES) was created by New York State legislation in 1948. Today, there are thirty-eight organizations in the State. Each has its own governing board, elected by members of the Boards of Education of the component districts. The primary purpose of the BOCES is to provide services to two or more member districts more effectively and economically than one district could provide alone. Each year, the component districts request the services they want their BOCES to provide in the following year. The various requests for services and programs are assembled into an operating plan along with the associated budget. The State Department is required to approve all services before they can be provided to districts. Legal contracts are drawn up and approved by the district, the individual BOCES and the Commissioner of Education.

3.2 BOCES is an educational agency of the State, and must, therefore, adhere to all laws and regulations of the State of New York, which govern the public schools in the State, as well as regulations controlling the BOCES. BOCES receives most of its money from the member districts. In return, the member districts receive BOCES aid based on their relative wealth and need for the service. The various BOCES operate many programs. Generally, the largest programs are associated with Career & Technical and Special Education.

3.3 Wayne-Finger Lakes BOCES covers a four county region and supports 25 component school districts. Students served by BOCES are provided instructional programs including Career and Technical education, programs for children with handicapping conditions, and Adult Education.

4. OBLIGATION OF BIDDERS:

At the time of the opening of the bids, each bidder will be presumed to have read and be thoroughly familiar with the contract documents. The failure or omission of any bidder to receive or examine any form, instrument, or document shall in no way relieve any bidder from any obligation in respect to the submitted bid or to conforming to all specifications including all addenda issued.

5. RESPONSIBILITIES:

Contractor Responsibility - The successful vendor(s) shall be responsible for supplying and providing inside delivery of all fresh fruits and vegetables purchased as a result of the award of this bid.

BOCES' Responsibility - Although this bid was issued, evaluated, and awarded by the Wayne-Finger Lakes BOCES at the request of itself and participants, BOCES' liability under contract is limited to coordination and BOCES issued purchase orders only.

Participants' Responsibility - Purchase Orders will be issued to the designated vendor(s) by the participating school districts and/or Agencies listed, authorized in accordance with established Municipal Accounting Practices. Those participants are solely responsible in contract for obligations entered into with the vendors. Participants are required to generate their own purchase orders (to the successful vendors) in accordance with the bid provisions and the schedule of awards.

6. CONTRACT TERM:

Bid award period (*see Legal Notice to Bidders*). The contract may be extended under the same terms and conditions for two (2) 1-year terms upon mutual agreement of the contracting parties.

7. SHORT TERM EXTENSION:

In the event the replacement contract has not been issued, any contract let and awarded hereunder by the BOCES, may be extended unilaterally by the BOCES for an additional period of up to one month upon notice to the contractor with the same terms and conditions as the original contract including, but not limited to, quantities (prorated for such one month extension), price, and delivery requirements. With the concurrence of the contractor, the extension may be for a period of up to three months in lieu of one month. However, this extension terminates should the replacement contract be issued in the interim.

8. QUANTITIES:

The historical dollar value of all contracts issued under previous awards was approximately \$500,000 annually. However, each contract shall be for the quantities or dollar value actually ordered during the contract. The individual value of each contract is indeterminate and will depend upon the number of contracts issued and the pricing offered.

The historical dollar value is an estimate ONLY and should not be construed to represent either maximum or minimum amount to be purchased during the contract term.

9. UNANTICIPATED REQUIREMENTS:

9.1 Every effort has been made to include all items that may be required during the contract term. If, however, items are required which are not listed on the Proposal, the BOCES reserves the right to negotiate with the vendor a mutually agreeable cost utilizing the percentage above cost included as a part of the bid form included in this document for the items not specified. Any such items must be approved in writing by the BOCES prior to the contractor providing the items. Upon approval, these items will be added to the contract under the same terms and conditions. The BOCES further reserves the right to obtain these items from other sources if the cost cannot be mutually agreed upon.

9.2 The BOCES further reserves the right to purchase through the competitive bidding process, unanticipated large volume requirements, whether or not listed on the Proposal, if the BOCES concludes that prices or other considerations will result in terms which will be more favorable to the participants.

10. BIDDER QUALIFICATIONS:

10.1 In order to be considered responsive, a bidder must demonstrate that, immediately upon award of contract, the bidder is capable of meeting the terms and conditions of this contract. 12.3 The Bid Committee reserves the right to determine products of equal value. The decision of the Bid Committee will be final as to acceptable alternates. Vendors will not be allowed to make unauthorized substitutions after award is made.
