RE: *Weather-Related Closure & Flexible Instruction Day*

If school is closed due to inclement weather, the Superintendent may announce a Flexible Instruction Day (FID). During a FID, all students must log into Google Classroom for the day's lessons. All FIDs count as school days and do not require make-up days. Instruction and materials are provided asynchronously (not live); however, teachers may offer synchronous (live) options.

FID Google Classroom Activities

1. Directions, instruction and expectations
 1. 10-15 minutes of audio, video or screen recordings of the teacher per class/subject/period
 2. Mini-lesson, guided instruction, facilitation or lecture style teaching to reflect the content being taught in the classroom for each day in each course/subject/period
2. Practice, guided practice or additional alternative instruction
3. In-class assignment and/or homework and feedback

FID Attendance is defined as evidence that the student has access to the learning materials and has completed the assigned learning activity or task.
