! NO PARKING - The white or yellow triangle icon represents an end cap in the parking lot. These end caps are outlined to provide enough room for **EMERGENCY VEHICLES**, such as **ambulances and firetrucks**, to drive through our lot and park next to our entrances for immediate assistance. If you park here, it is a violation of Salt Lake County code 11.08.140: "obstruct or interfere with the free ingress or egress of emergency vehicles" and is subject to applicable consequences.

NO PARKING - This red car icon indicates areas that are off limits for safety reasons. The 'Bus/Emergency Zone' noted on the map is for school buses/vans and emergency vehicles. Specifically, any red-lined curbs, the driving range, and the cul-de-sac by our soccer field. The cul-de-sac area is off limits to park Monday through Friday, 7:00am – 4:00pm. School buses for many of our Special Education or wheelchair bound students load in this area. If there are vehicles parked here, the buses cannot enter the roundabout and it makes it **extremely difficult if not impossible**, to load these students onto the buses. **PLEASE do not park in these areas.**

PERMIT PARKING ONLY – White, Yellow, and Blue Car icons represent permit parking only. Student parking is indicated by YELLOW and WHITE lines in the lot (car icons on the map). Students must have a current Student Parking Permit to use the Highland High parking lot. **Please remember: Receiving a parking permit, does not guarantee you a parking spot.**

PERMIT PARKING ONLY – BLUE lined parking spots (blue car icon on map) are reserved for **FACULTY ONLY**. Faculty/Staff must have a Faculty Parking Permit to park in this area.

FLOW OF TRAFFIC: 

Note the word 'STOP' at the end of each row in addition to traffic directional arrows. Following these directions will help everyone stay safe and reduce accidents. Our number one priority is keeping our students safe.
