Starting Monday, October 18, 2021 Highland High Security Staff will begin ticketing vehicles that are in violation of city and school parking lot regulations. If your student receives a ticket, it will look like this → with details on why it was issued and if any action needs to be taken. To avoid any unnecessary violations, please make sure to review these rules with your students:

NO PARKING - This yellow lined triangle icon represents an end cap in the

parking lot. These end caps are outlined to provide enough room for **EMERGENCY VEHICLES**, such as ambulances and firetrucks, to drive through our lot and park next to our entrances for immediate assistance. If you park here, we consider it a violation: blocking the path of emergency vehicles.

NO PARKING - This red car icon indicates areas that are off limits for safety reasons. The 'Bus/Emergency Zone' noted on the map is for school buses/vans and emergency vehicles. Specifically, any red-lined curbs, the driving range,

and the cul-de-sac by our soccer field. The cul-de-sac by the soccer field is used for our Special Education department buses to provide a safe space for those students (some of which are wheelchair bound) to get on and off their buses. We ask that you please respect these spaces.

PERMIT PARKING ONLY – White, Yellow, and Blue Car icons represent permit parking only. Student parking is indicated by YELLOW and WHITE lines in the lot (car icons on the map). Students must have a Student Parking Permit to use

the Highland High parking lot. **Please remember:** Receiving a parking permit, **does not** guarantee you a parking spot.

The Salt Lake City School District prohibits discrimination based on age, color, disability, gender, gender identity, national origin, pregnancy, race, religion, or sexual orientation.

FLOW OF TRAFFIC: 

Note the painted stops at the end of each row and traffic directional arrows when driving through the lot. Following these directions will help everyone stay safe and reduce accidents. Our number one priority is keeping our students safe.

BUS/EMERGENCY LOADING ZONES:

No parking allowed during school hours in this area.

VISITOR PARKING:

We understand that our visitor parking is limited. If this area is full, please feel free to park in any of the white/yellow lined parking spots. If you receive a violation slip in error and need assistance, please see the main office.

Thank you for helping to keep our students and community safe.

Go Rams!!!
