October, 2021

Dear Parents and Students,

Greetings from the Language School.

We hope you had a nice fall break and time to enjoy the beautiful weather.

*Below, please find the decision made by the German International School New York for the Language School.*

- The Language School serves children under the age of 12 who are not eligible for vaccination at this time. Our language learners attend various schools in the tri-state area.
- The health and safety of our students, teachers and staff are of utmost importance and we ask for understanding of this decision.
- **In an abundance of caution the Language School has had to revise its original plans for reopening. Wednesday and Saturday classes will have to take place virtually until the end of the first semester.**

Thank you for your support and understanding.

Mit freundlichen Grüßen  
Kind regards
