

THORNTON ACADEMY ANNUAL REPORT 2020-2021

Respect, Responsibility, Compassion and Investment. These are the four pillars that inspire our Thornton Academy students. Each year we are reminded of the strength of those pillars as our alumni and community continue to generously support the Thornton Fund.

Your gifts are the foundation that keeps the Thornton Academy community strong. You make it possible to provide a free lunch program, cutting edge STEM classes, outstanding extracurricular activities, an enriching campus life and, of course, to offer our students the best education they can find anywhere.

These are the exceptional offerings that make Thornton Academy the truly special place that we all hold dear. On behalf of the entire Thornton Academy family, thank you for choosing to support the future of our students.

In preparing this report, every effort has been made to accurately recognize our supporters. All gifts received by the Development Office between July 1, 2020, and June 30, 2021, are listed in this report. Please inform us of any errors or omissions by calling 207-602-4456. If your class does not have a class agent and you would like to learn more about this role, please contact Giselle Tardiff '90 at 207-662-4456 or giselle.tardiff@thorntonacademy.org.
