Scholarship Information

- It's not too early to apply! Check out our [scholarship page](#).
- New Century Scholarship
 - For students who earn an associate degree during high school. For more info & requirements, click [here](#).
- Weber State Edge Scholarship
 - For students who have taken a minimum of 12 CE credits with a 3.0 GPA. \$2000 per year for four years (up to \$1000 per semester for 8 semesters). Total value: \$8000.
- Cheri Davis: NHS Scholarship/College Access Coordinator
 - Email her to set up an appointment: chdavis@dsdmail.net

College Knowledge

- FAFSA – Questions about Financial Aid? Click [here](#) for more info.
- Junior College Tour – February 7th, 2022
 - Representatives from Utah colleges, universities, and technical schools will be at NHS (virtually). It's a great opportunity to learn about admission requirements, scholarship deadlines, and other important info.
- Thinking of going out of state?
 - Western Undergraduate Exchange (WUE) allows you reduced out-of-state tuition at participating institutions on the west coast. Check it out [here](#)!
- Official Transcript Requests: [Order here](#) through Parchment.
- Want more information? Visit [our website](#) for application deadlines, Utah college and university information, & so much more!

AP & CE

Five Reasons to Take AP or CE Classes

1. Earn college credit in high school (so much cheaper!).
2. Develop knowledge & skills needed to succeed in college.
3. Increase the chance of graduating from college in 4 years instead of the typical 5 years.
4. Take classes with students who are college bound & have similar goals.
5. Stand out in the college admissions process.

Certificate of Completion: What is it?

- A certificate from Weber State University stating all General Education requirements are fulfilled. CE classes are taken at NHS (approx. 35 CE credits).
- This can be presented to any Utah college or university & General Education requirements are waived, even if they are different.
 - Some private schools are excluded.
- For more information, please see your counselor or [our website](#). Plan ahead!
- More resources:
 - [WSU's Concurrent Enrollment Advising](#)
 - [WSU Certificate of Completion Info](#)
 - [Course Planning](#)

NCAA

- Students wanting to participate in a collegiate sport at the Division I or II level must meet the requirements for NCAA.
 - 16 Course Rule = taking at least 16 credits of *approved* core classes.
 - Maintain a 2.3 GPA in those classes.
 - Must submit an ACT score to the NCAA.
 - Talk with your counselor to go over requirements in detail.
- **Students and parents are responsible to ensure NCAA eligibility!**
- Click [here](#) to register with NCAA. Students are encouraged to create a profile during their junior year.

CTE Career Pathways

CTE Pathways help students focus on & prepare for a career. Completing a Career Pathway in high school can help students transition into their post-high school education or career.

Student must participate in a CTSO (Career Technical Student Organization) to receive the "Pathway Completer" recognition at graduation.

More resources & pathway requirements [here](#).

See Mrs. Davidson or Mrs. Wootton in the Counseling Center to learn more. To join a CTSO, complete an application & see advisor.

Example Pathway: Emergency Medical Services
Required Foundation courses:

- Emergency Medical Response
- Medical Anatomy & Physiology

1.0 Elective credit:

- Intro to Health Science
- Medical Terminology
- Internship: EMT at Davis Technical College

CTSO Advisors

DECA: Mr. Pace (C102)

FBLA: Ms. Banta (C205)

FCCLA: Mrs. Lucas (C231)

HOSA: Ms. Otis (C202)

Skills USA: Mr. Shaw (A120)

TSA: Mr. Harris (A107)

Educators Rising: Mrs. Andersen

Planning for Senior Year: College & Career

CTE

Classes that *help you explore possible career pathways & build life-skills*. Certifications are available & can help when you're looking for a job or further education.

Internship

Hands-on experience in the workforce. This semester long, 2 period class will allow you to explore if your dream job is right for you! Must apply [online](#) & have a 3.0 GPA with no U's.

Honors

If you're earning A's & B's in your classes, consider challenging yourself by taking an Honors level class. These classes are great preparation for AP & college-level courses.

AP Classes

These college-level courses require students to fully commit to that level of learning. You may earn college credit if you pass the exam at the end of the year.

Early College

You can meet your high school graduation requirements by taking college classes at WSU. For more info, click [here](#).

Catalyst

Develop critical-thinking and problem-solving skills completing real world projects with industry partners. Apply today!

DTC

Earn a professional certification while you're still in high school. Gain skills & credentials you need for your dream job!

CE Classes

Start building your college transcript by taking CE classes. Concurrent Enrollment classes are college courses taught at NHS (\$5 per credit hour) for a much cheaper price! These grades will permanently be on your college transcript, & withdrawing can affect future Financial Aid, so choose wisely!

The Catalyst Center is the place where innovation, collaboration and education meet. Our CTE magnet school brings Davis School District students, local business and industry mentors together. The Catalyst Center is part of the nationally recognized CAPS Network (Center for Advanced Professional Studies). CAPS students fast forward to their future careers and are fully immersed in a professional culture. They develop critical-thinking and problem-solving skills by working in collaborative groups to complete real-world projects while being mentored by industry partners.
