

The SMPSB Parents' Guide to Google Classroom

What is Google Classroom?

Google Classroom

Think of Google Classroom (GC) as your child's digital link to learning.

Teachers use GC to share assignments, homework, newsletters, and much more with students AND parents!

Getting Started

Your child was provided with a school-issued Chromebook.

- After powering on the Chromebook, you will be asked to provide your child's email address.
 - If you and your child do not have this information, it can be found in the Parent Command Center.
- Once you enter the email address, you will be asked for the password.
 - The password is a lowercase "s" followed by your child's student identification number.
 - The student identification number can also be found in the Parent Command Center.

Getting Started

Enter your child's Google username and click on the "Next" button.

This information will be provided by your child's teacher.

The image shows a screenshot of a Google sign-in page. At the top, it says "Sign in with Google". Below that, it says "Sign in to continue to clever.com". There is a text input field for "Email or phone" with the text "Info Provided By Your Child's Teacher" inside it. At the bottom left, there is a link for "Create account". At the bottom right, there is a blue button labeled "Next". A large orange arrow points from the text on the left towards the "Next" button.

Getting Started

Verify that your name is displayed.

If correct, then enter your password.

***Remember:** Use the password provided by your child's teacher. The password is a lowercase "s" followed by your child's Student Identification (SID) number. The SID number can be found in the Parent Command Center.*

Once you enter your password, click Next.

The screenshot shows a Google login interface. At the top, the Google logo is displayed. Below it, the text "Hi kevin" is shown. Underneath, there is a dropdown menu with the email address "kevin_dugas@saintmartinschools.org" and a downward arrow. Below the email field is a password input field with the placeholder text "Enter your password" and the text "Use The Password Provided By Your Teacher" entered. To the right of the password field is a checkbox labeled "Show password" which is checked. Below the password field is a link that says "Forgot password?". At the bottom right of the login area is a blue button labeled "Next". Three orange arrows point from the text on the left to these elements: the first arrow points to "Hi kevin", the second arrow points to the password input field, and the third arrow points to the "Next" button.
