

Galveston ISD's Partners in Education connects the community with campuses and classrooms across the island. There are a number of ways for local businesses and organizations to become involved and directly impact the children in our schools.

- Tutoring
- Classroom guest speaking
- Hosting field trips at businesses or educational institutions
- Mentoring
- Life skills training
- School supply and/or uniform drives
- Book drive
- Food drive
- Outreach in time of need

Steps to Become a Partner

Make a difference in a student's life and become a partner today.

Step 1: Contact Communications & Marketing

Email communications@gisd.org or call 409-766-5146.

Step 2: Meet

Set up initial meeting with the school(s) your organization would like to partner with.

Step 3: Partnership Agreement

Based upon meeting, both parties will complete a partnership agreement. Agreement will need to be approved by GISD business and operations.

Step 4: Ceremony

School and partner can work with Communications & Marketing to plan a partnership signing ceremony. Please note: A ceremony is not required to solidify a partnership.

Step 5: Begin the Work

Stay in constant communication with the partner, ensuring each party understands expectations and responsibilities. Communicate on a regular basis your gratitude for their work.

Step 6: Review the Agreement

Meet on the assigned date written in the partnership agreement to review the partnership.
