

WHO WE ARE

Peddie is committed to the intellectual, social and moral growth of each of its students. The school welcomes individuals with diverse talents and backgrounds whose excitement, curiosity and character create an educational community where passion for learning grows.

With enthusiasm, humor and patience, Peddie challenges its students to reach beyond their expectations and to define success by the progress they make. In this boarding school environment, students are prepared for the rigors and rewards of college and are inspired to strive for the highest quality of citizenship.

A COMMITMENT TO STUDENTS

In 1993 Walter Annenberg '27 awarded Peddie the largest financial gift ever given to an independent boarding school, in large part to endow substantial financial aid for deserving students. Peddie disperses funds with the philosophical intent to reach students with diverse talents and backgrounds.

PEDDIE SIGNATURE PROGRAMS

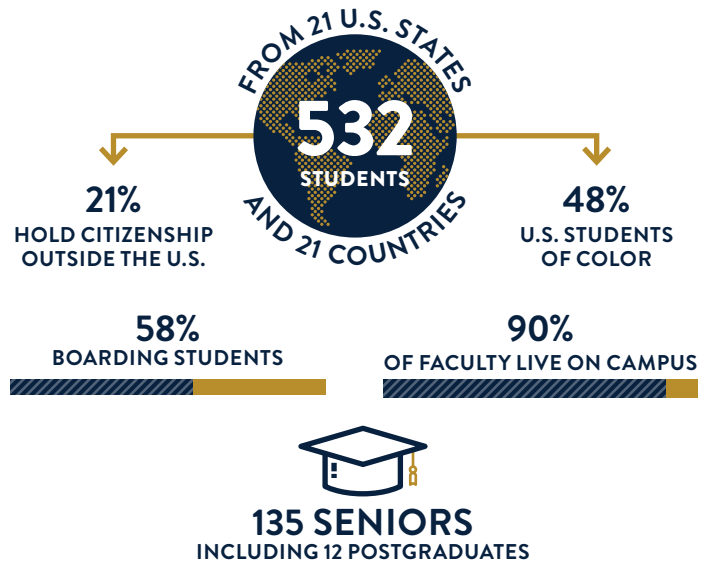

The Signature Experience program affords select students the opportunity to complement classroom learning with in-depth, independently-driven explorations of an academic or co-curricular passion. There are offerings in Art, Creative Writing, Language (Asian Studies, French, Latin or Spanish) and Robotics or Research Science (STEM-EXP). Signature Experiences become a sustained and integral part of a student's academic and life experiences and are noted on participating students' transcripts.

EXTRA-CURRICULAR ACTIVITIES

Students are required to participate in three afternoon activities per year. Peddie's classroom extends to 47 interscholastic teams in 15 sports, 17 arts ensembles and a robotics team.

STATEMENT ON COVID-19

The spring term of the 2019-2020 Academic Year was interrupted by a shift to distance learning due to the Covid-19 pandemic. Students were given the option of choosing Pass/Fail or our traditional A through F grading system either for individual classes, or for their entire schedule. For 2020–2021, students had the option to choose remote learning or a hybrid in-person (every other week) schedule. This year we have resumed a fully in-person classroom learning environment.

STATEMENT OF INCLUSION

The Peddie School embraces the sustained and ongoing work of making our community inclusive, safe and welcoming for all of our students and adults. To achieve this mission, Peddie seeks to remove every barrier to access, equity and safety for every member of our school. Each day, we work toward a more inclusive, antiracist and open community.

CURRICULUM HIGHLIGHTS

Peddie has built its reputation on academic rigor, a friendly culture and a focus on the whole student. Our curriculum fuses the hallmarks of a traditional college preparatory experience with opportunities for innovative co-curricular synthesis and personal balance.

Peddie's Signature Experience program connects students' academic coursework with hands-on learning outside the classroom. More than seventy percent of Peddie's graduating seniors participate in some form of experiential learning.

ACADEMIC AND GRADING CONTEXT

Peddie runs on a trimester calendar and uses a seven block schedule. Classes meet Monday through Saturday. Select students take six academic courses, and a rare few take a full seven.

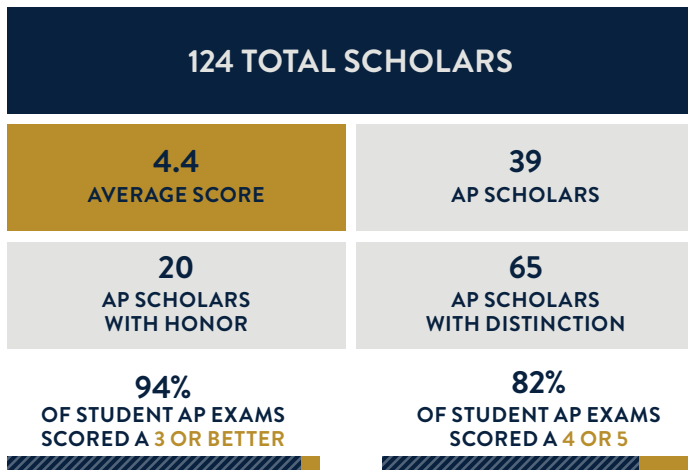

Peddie uses a letter-based (A-F) grading system. We do not rank our students or report GPA. For more information on the available paths of study for our students visit peddie.org/curriculum

ADVANCED PLACEMENT & HONORS

We offer 34 subject areas for Advanced Placement and Honors. Twenty-two AP courses are offered in English, history, math, world language, visual arts and the sciences. With rare exceptions, students are limited to a maximum of three AP classes in each academic year. Peddie also offers post-AP courses in math.
