

School Committee Actions to Support School Committee Goals 2017-18

- 1. Implementing the Education Program including the Academy Model:** Keep abreast of efforts by the staff to fully implement the Academy Model through presentations made by staff members. Act on budget implications.
- 2. Increasing enrollment from member towns:** Implement suggestions proposed by the Enrollment Task Force for each School Committee member.
- 3. Recruiting new member towns in accordance with the process outlined in the Regional Agreement (Section VIII Admission of New Communities):** Have the Superintendent share with the School Committee on a regular basis progress being made to recruit new member towns. When appropriate, a joint committee representing Minuteman and a prospective town will be established with School Committee representation.
- 4. Engaging in decision-making around repurposing the present campus:** Schedule regular executive sessions of the School Committee to help determine best approaches to campus development.
- 5. Ensuring that the new school building is ready for occupancy by September, 2019:** Have the Building Committee report monthly to the School Committee. Participate in site visits during the construction time frame. Propose budgetary and/or other actions as appropriate to facilitate the building project.
