

Richfield STEM Elementary School's Parent and Family Engagement Plan 2021-22

Mission: Richfield Public Schools inspires and empowers each individual to learn, grow and excel.

Richfield STEM School is committed to the goal of providing quality education for every child in this district. To this end, we want to establish partnerships with parents and with the community. Everyone gains if school and home work together to promote high achievement by our children. Neither home nor school can do the job alone. Families play an extremely important role as children's first teachers. Their support for their children and for the school is critical to their children's success at every step along the way.
