

Pennsylvania Act 126 Child Abuse Recognition and Reporting

As a requirement of employment, you must provide proof of completion of the 3-hour Mandated Child Abuse Recognition and Reporting training. Our preferred training module is through Safe Schools. This tutorial provides the Child Abuse and Mandatory Reporting segment, as well as the Educator Discipline Act.

If you have already completed this training, and have proof of completion, we will accept your certificate as long as it is no older than five years from your start date.

The Millcreek Township School District uses the Safe Schools Training Website. This is a **free** training module.
