

TRAVEL POLICY COVID-19

October 11, 2021

Barnhart School, in compliance with the Los Angeles County Department of Public Health Travel Advisory and Guidance, continues to follow the CDC travel guidelines should you choose to travel outside of California. In particular we ask:

- Do NOT travel if you are sick, you have a recent positive COVID-19 viral test result, or you are waiting for results of a COVID-19 viral test after being exposed to the virus.
- Delay travel until you are fully vaccinated.

Fully Vaccinated Persons

- Fully vaccinated persons may travel **domestically** without a pre- or post-travel test and without quarantining if they do not have symptoms of COVID-19 after domestic travel.
- Fully vaccinated persons may travel **internationally** provided they take additional precautions in compliance with [LACDPH](#) and [CDC](#) guidelines. Requirements include pre- and post-travel COVID-19 viral testing.

Unvaccinated Persons (Including students not eligible for vaccination)

If you are not fully vaccinated and must travel, take the following steps to protect yourself and others from COVID-19:

- Domestic Travel (United States, outside of California):
 - Before travel - get tested with a viral test 1 -3 days before travel
 - After travel - get tested with a viral test 3-5 days after travel AND stay home and self-quarantine for a full 7 days after travel.
- International Travel:
 - Before travel - get tested with a viral test 1 -3 days before travel
 - Returning - before you arrive in the United States: ALL air passengers are REQUIRED to have a negative COVID-19 viral test no more than 3 days before boarding a flight to the United States
 - After travel - get tested with a viral test 3-5 days after travel AND stay home and self-quarantine for a full 7 days after travel.

Examples of Travel Dates for UNVACCINATED:

Families choosing to travel outside of California over the holidays with their unvaccinated children will need to follow a quarantine period. Students will not be able to return for in-person learning until they complete the quarantine period. See below:
