

# ISL students achieve outstanding IB results, with a 96% pass rate.

The International School of Luxembourg (ISL) is extremely proud to announce the excellent results of its 2021 Graduating Class at the International Baccalaureate (IB) Diploma Programme, with a 96% pass rate (world average is 89%).

Director Nicki Crush commented “This pass rate would already have been considered superb in normal times. Yet it is even more impressive if you think about how challenging the two last years have been and it undeniably attests to the high-level of resilience of our students.”

Out of a total score of 45 points,

- 3 ISL students achieved a perfect score of 45 points
- 15,4% of ISL’s students achieved 40 or above points
- 43% achieved 36 or above points
- ISL students’ average result is 35 points (world average is 33/45)
- 83% achieved 30 or above points.

These results allow ISL students access to the most competitive universities.

Director Nicki Crush concluded “I would like to congratulate our students for their amazing achievements and also thank our passionate teachers and staff members who work hard every day to inspire our students.”

## **About the IB Diploma Programme**

*The IB Diploma Programme (DP) is a rigorous, challenging and balanced two-year university-preparation programme for students aged 16 to 19. DP students are prepared for participation in a rapidly evolving and increasingly global society as they develop intellectually, emotionally, physically and ethically, while acquiring the skills that will prepare them for further education and life in the 21st century.*
