

# Your Students' Future in Veterinary Medicine Starts Here

**St. George's University**  
**SCHOOL OF VETERINARY MEDICINE**

Grenada, West Indies

SGU offers an outstanding educational experience that will get you to your goal—**becoming a successful veterinarian.**

## 1. Train here. Practice anywhere.

- SGU is one of the few schools in the world accredited by both the **American Veterinary Medical Association Council on Education** (AVMA COE) in the United States and Canada, as well as the **Royal College of Veterinary Surgeons** (RCVS) in the United Kingdom.

**RCVS** SETTING VETERINARY STANDARDS

- Over the last 20 years, St. George's University School of Veterinary Medicine has graduated **1,900+** **veterinarians** who have practiced in **49 states** and **16 countries** around the world.

## 2. Hands-on training is available from day one.

- Simulation animals** are used to train first-term students on basic techniques.
- Our **Small Animal Emergency Clinic** and **Large Animal Facilities** allow students early hands-on experience with a variety of species.
- Unique opportunities are available to work with **species native to the region.**

## 3. SGU has vast clinical network for your students to complete their clinical rotations.

**30+**

AVMA-  
accredited  
affiliated schools  
of veterinary  
medicine in  
**six countries**

US

UK

Canada

Ireland

Australia

Netherlands

**48**

weeks of hands  
on training  
alongside  
students  
enrolled at  
those veterinary  
programs

"I was drawn to the reputation of the veterinary course and the quality of education I would receive at SGU. I strongly believe that my qualification from SGU has created opportunities for me to work all over the world."

**Joe Masciana, DVM 2017**

*Emergency and Critical Care Resident  
VCA West Los Angeles Animal Hospital*

“Living in Grenada and going to the unique learning environment that is SGU taught me how to better adapt to the unknown, to be flexible and turn to those around me when I don’t know the answer.”

**Stephanie Hawley, DVM 2014**  
Veterinarian Banfield Pet Hospital  
Chicago, IL

#### 4. SGU prepares your students for the North American Veterinary Licensing Examination (NAVLE).

**92%** pass rate on the North American Veterinary Licensing Examination (NAVLE) over the last five years.

*According to International Council of Veterinary Assessment reports, 2016-2020*

#### 5. Your students will be supported throughout their education.

Our **award-winning Department of Educational Services** supports your academic and professional success.

**8 to 1**

student-to-faculty ratio allows students to get to know their professors well.

Our **state-of-the-art facilities** help prepare students for exams at SGU, the NAVLE, potential residencies, and beyond.

#### 6. SGU helps your students stand out as medical leaders

A dual degree will help you **stand apart from the crowd**, preparing you to achieve leadership roles in private practice, business, government, international, and research organizations.

- DVM/Master of Public Health
- DVM/MSc in Wildlife Conservation, Marine Medicine, Anatomy, and more.
- DVM/MBA in Multi-Sector Health Management

#### 7. We invest in our students

- SGU is **approved by the US Department of Education** for US government backed loans. US students can **borrow up to the complete cost of attendance**.
- With tuition averaging \$49,400 per year, it is **more affordable** for students to attend SGU than most out-of-state veterinary programs.

#### 8. Our campus feels like home.

Students enjoy the benefits of a thriving multicultural environment on the True Blue campus, offering **all the amenities and facilities of a world-class institution**.

- High-quality accommodations to support their life and studies
- 60+ student clubs and organizations.
- Full sport and recreation facilities
- A variety of dining and food shopping options available on and off campus
