- 7. Summary of the cost of recovery services

Highlights of the Financial Report for FY 22:

Fiscal Year 2022 currently projects a year-end surplus of \$170,401. This forecast continues to assume we will be reimbursed for all items lost during Storm Elsa in July and Storm Ida in September. Should those items not be reimbursed or partially reimbursed we will update the forecast as needed. Damages are currently being tracked under Reserve for Emergency Repair in RC 12 in a separate organizational code. Damages for Storm Elsa total \$31,084 and Storm Ida currently stand at \$353,403 but we expect more to accumulate, as repairs are needed.

The total changes from the previous month are \$2,661 which include:

- Salary savings from vacant athletic trainer \$185 net of nurse substitutes
- Athletic Transportation savings from Girls Swim and Dive \$5,156
- Salary savings from vacant electrician \$778
- Savings from district legal fees coming in under budget \$6,800
- Long Term Substitutes savings of \$41,499. SLP coverage assumed to be a staff member now being covered by contractor.
- Additional Staff Turnover \$3,574
- Special Education legal fees \$11,800 as the positive trend continues from previous month.
- Contracted Speech deficit due to a 12.5% price increase from provider \$(37,125)

- Contracted Speech deficit of \$(41,000) as a long-term leave of absence is being covered by a contractor.
- Savings from lower trend on Electricity \$3,734
- Savings from Telephone \$194
- Savings from sewer fees of \$5,019
- Property Insurance Claim reimbursement for central office roof \$4,851
- ELP Para salary savings \$3,403
- COVID Cleaning of Buses \$(6,208)

| RC's | Forecast |
|------------------------|------------|
| General Education RC's | \$242,123 |
| Special Education RC's | \$(62,714) |
| COVID | \$(9,008) |
| Total | \$170,401 |

RC 11 (Athletics):

- There is a positive balance of \$8,555 in Athletic Training Services as we have had a
 resignation of an athletic trainer. This positive balance is based on savings from the
 unfilled position and no substitute coverage. Currently, nurses are providing substitute
 coverage when available, which is factored into this forecast.
- Facilities-Custodial shows a positive balance of \$34,170 as the new YMCA agreement calls for us to be reimbursed by the YMCA for custodial overtime cost.
- Athletic Transportation shows a positive balance of \$10,312. Due to a bus shortage we
 do not have enough available drivers to bus the boys golf team, girls swim team and
 dive team at this time.

RC 12 (Maintenance):

• The district electrician retired at the end of August and a replacement did not start until mid September, as a result there is salary savings of \$4,254.

RC 16 (Administration):

• Legal fees shows a positive balance of \$15,600. The first two months' legal fees were less the budget by this amount.

RC 18 (Personnel):

- Staff Turnover shows a positive balance of \$3,703. We budgeted a turnover of 28 employees with an average savings of an MA19 to an MA15. We did have 53 staff members turn over; however, of those 53 staff members 24 were under step 10 and 19 staff members were hired at a salary that was more expensive than the employee that left. As a result turnover savings were less than anticipated given the higher level of turnover, but the turnover credit has been extinguished. The slight increase is from a speech therapist.
- Long-Term substitutes shows a positive balance of \$41,499 as an SLP who is out on a long-term leave of absence is no longer being covered by an employee but a contractor.

- Budget controls shows a positive balance of \$43,467 as 3.4FTE of 4.0FTE were approved by the BOE.
- Dues and Memberships is forecasted to show a savings of \$11,500 as the partnership fee for the Teacher in Residence has been reduced from \$21,500 to \$10,000 as the State received a grant to offset the partnership fee.

RC 23 (DSS):

- Consultant Services shows a positive balance of \$1,685. We had less expenditures due to less revenue than budget.
- General Office Supplies shows a positive balance of \$2,564 as fewer expenses were needed for DSS.
- General Teaching Supplies shows a positive balance of \$7,495 as fewer expenses were needed for DSS based on revenue.

RC 24 (Special Education):

- Legal fees shows a positive balance of \$23,600 as the first month's legal fees have trended under budget.
- Contracted Speech shows a deficit of \$78,125. This deficit is due in part to two reasons:
 the first is a speech provider has increased rates by 12.5%, which contributes \$37,125
 to the deficit; and an SLP who is out on a long-term leave of absence is being covered
 by a contractor, resulting in a deficit of \$41,000. There is a pending transfer for BOE
 approval to cover this shortfall.
- We have budgeted a reimbursement rate of 67.5% for FY22. The first excess cost submission is December 1st.

RC 25 (Fixed):

- Electricity is forecasted with a positive balance of \$33,958 based on current consumption trends.
- Telephone shows a positive balance of \$194.
- Sewer fees came in under budget by \$5,019 based on usage.
- Property Insurance is forecasted with a positive balance of \$12,973 based on favorable renewals with CIRMA and a reimbursement from a property claim.
- Workers Compensation is forecasted with a positive balance of \$735 based on favorable renewals with CIRMA.
- General Liability Insurance is forecasted with a positive balance of \$2,105 based on favorable renewals with Assured Partners.
- Student Accident Insurance is forecasted with a positive balance of \$432 based on favorable renewals with Bollinger.

RC 26 (ELP):

- Teacher Aides shows a positive balance of \$8,560 due to salary savings from a vacant position. Should enrollment grow during the year it would be anticipated this would be filled.
- ELP Tuition shows a negative balance of \$16,747. Based on current enrollment we have 49 paying students in the program who will start between the start of school and

November. This forecast does not assume any additional students will enroll. Should additional students enroll the forecast will be updated.

RC 28 (COVID):

• Transportation is forecasted at a deficit of \$9,008 as our out of district providers are requiring additional cleaning to utilize their services similar to last school year. This updated figure includes multiple out of district providers. There is a recommended transfer to cover this expense for Board of Education consideration and approval.

MEMORANDUM

To: Dr. Alan Addley, Superintendent of Schools

Richard Rudl, Director of Finance and Operations

From: Mike Lynch, Director of Facilities

Date: October 19, 2021

Subject: Copy Center Project Funding

Last year we commissioned Silver Petrucelli Architects to develop three options (A,B,C) for renovating the lower level of 35 Leroy Avenue into a copy center. We chose Option C, which the architect had estimated would cost \$135,000. This included all permits and fees. Option C took advantage of the large hall space and room off the corridor. The equipment and copiers would be installed along both walls of the hall while creating a workspace in the adjacent room.

The budget established for this project was \$135,000. After subtracting architect fees, we have a balance of \$117,500. After issuing an RFP, the low bid was \$322,700 from A.V. Tuchy of Norwalk, CT. This leaves a difference of \$205,200 in order to complete this project.

To move forward with this project, the administration is recommending that the Board of Education approve making a capital budget transfer request to the Board of Selectmen and then to the Board of Finance from the following FY2022 Capital Account balances.

| Account Description | Balance to Transfer |
|--------------------------------------|---------------------|
| Replace DHS Library Carpet | \$40,000 |
| Replace DHS South Gym Floor | \$45,000 |
| Replace MMS Library Carpet | \$30,000 |
| Repave Access Road, MMS | \$10,000 |
| Overhaul Rooftop HVAC, MMS | \$45,000 |
| Install Wireless Clocks-Hindley | \$10,000 |
| Install Wireless Clocks-Holmes | \$10,000 |
| Install Wireless Clocks-Royle | \$10,000 |
| Epilog 40W Laser | \$3,000 |
| Digitize Blueprints | \$12,000 |
| Total Transfer | \$215,000 |
| Conv. Contor Conital Balanco | ¢117 E00 |
| Copy Center Capital Balance | \$117,500 |
| Total Available if Transfer Approved | \$332,500 |

The administration is recommending that \$215,000 be transferred to provide funding should any unexpected costs arise upon construction.
