Public Notification

Career Technical Education (CTE) is an integral part of the comprehensive secondary school program in Davie County Schools. The district offers a comprehensive Career Technical Education program for students in middle and high schools. Courses are offered in agriculture; automotive services; business; educational development; emergency services; finance; information technology; family and consumer science; health science; marketing and entrepreneurship; technology, engineering, and design; trade and industrial. To ensure that all students both have access to CTE and are successful, support services are available for career development and special populations.

In compliance with federal law, Davie County Public Schools administers all educational programs, employment activities, and admissions without discrimination against any person on the basis of gender, race color, religion, national origin, age, or disability.
