80.5% of students are economically disadvantaged. 30% of our students are EL. 1.4% are 504 Dyslexia and 67% are At Risk

### Demographics Strengths

1. Attendance rates are higher than the State and our school has maintained a 97% or higher for the previous 2 years but fell below 97% this past year. (2019 TAPR)
  - Improvements were made across all grades and contents.
  - All Students, Hispanics, Econ. Dis, and EL students met their target for Academic Growth in both Math and Reading.
  - All Students, Hispanics, Econ. Dis, and EL students met their target for Academic Achievement in Math and Reading.
  - All Students, Hispanics, Econ. Dis, and EL students met the target in Student Success.
  - EL students are showing growth in Math and Reading.
  - Writing went from a Q4 to a Q3 for Masters grade level
  - Silva Elementary surpassed the TELPAS target with a 44% from 36%

- Silva Elementary received 4 Distinction Designations: Reading, Math, Post-Secondary Readiness, and Academic Growth
- Silva Elementary has strong community support from businesses and parents.
- Silva Elementary provides opportunities for all students to participate in UIL, Art, Robotics, Mariachi, and Dance.
- Silva Elementary provides opportunities for all parents to participate in school activities, including Leader in Me and our Parent Volunteer Program
- Silva Elementary has a low teacher/staff turnover rate.

### **Problem Statements Identifying Demographics Needs**

**Problem Statement 1:** Special Education students did not meet the target for Academic Achievement. **Root Cause:** Special Education students are not instructed at the same level of rigor, and/or are pulled out of the general education setting. The achievement gap widens as they move on to a different grade level. Students need more supplemental aids and accommodations to close the gap. A science lab is needed for K-5. Science curriculum and scope and sequence is not defined.

**Problem Statement 2 (Prioritized):** General Education students who are 504 or RtI students are not performing at Meets or Mastery level in all content areas. **Root Cause:** Students are need of differentiation/intervention to be able to provide 1-1 or small group instruction.

**Problem Statement 3 (Prioritized):** Student enrollment has steadily declined within the past 4 years. **Root Cause:** As per parents, Silva needs more engaging, family activities, and community events to market the campus.

**Problem Statement 4:** Non-Continuously enrolled population did not meet the target for Growth Status in the area of Math for 3 consecutive years. **Root Cause:** Students who are not enrolled continuously need intervention earlier identification with purposeful planning with special pop teams.

**Problem Statement 5 (Prioritized):** In first grade, only 25% of the students are reading on grade level. **Root Cause:** First grade students not have enough practice with sight words or have limited letter knowledge and letter sounds

**Problem Statement 6:** Early childhood students lack the academic vocabulary and social connections as seen on CLI, TXKEA and teacher observations **Root Cause:** The pandemic and learning in a virtual setting.

**Problem Statement 7 (Prioritized):** Students struggle to solve rigorous math computations. **Root Cause:** Students lack fundamental foundational math skills.

**Problem Statement 8 (Prioritized):** Students lack foundational writing skills such as handwriting, mechanics, fine motor skills, proximal control and stability to compose a writing piece **Root Cause:** Students have spent the last year and a half in virtual learning not practicing these skills.

**Problem Statement 9 (Prioritized):** There is a larger range of reading levels. **Root Cause:** Lack of face-to-face instruction.

**Problem Statement 10:** Students in second grade struggle with writing and counting numbers. **Root Cause:** The students lack the practice.

**Problem Statement 11:** Due to the lack of comprehension, of fourth grade students are reading below level at the beginning of this school year. **Root Cause:** Remote learning limited student presence and engagement in all areas of reading such as guided reading, independent reading, and shared reading

# Student Learning

## Student Learning Summary

Silva Elementary teachers and the campus leadership team disaggregated data using our State Accountability Reports, Aware on Eduphoria, teacher and parent feedback to analyze every students' strengths and weaknesses. The Campus Leadership team meets with each individual teacher or teacher teams to progress monitor students every six weeks. We specifically look at special populations, specifically our special needs, 504 students, EL, RtI students and those who are at risk to ensure we monitor them through the use of specific interventions and assistance. We look at data trends and prescriptively address those needs for each student. As a team, we purposefully and intentionally provide support in the area needed through constant feedback and monitoring.

## Student Learning Strengths

- The campus went from zero distinctions to four distinctions.
- The campus received a "B" Rating
- 44% of all 3rd-5th grade students scored a Meets grade level in Reading
- 48% of all 3rd-5th grade students scored a Meets grade level in Math
- 43% of all 5th grade students scored a Meets grade level in Science

## Problem Statements Identifying Student Learning Needs

**Problem Statement 1:** Students in grade 5 Science scores a 31% at Meets as compared to 52% for State and 46% for District. **Root Cause:** Students are lacking background knowledge and fundamental skills in the area of science,, specifically analyzing strategies in test items to prior knowledge and science objectives. Students lack the knowledge and experience in using data and using higher order thinking skills. Students lack some basic Science concepts to ensure mastery in more complex Science concepts.

**Problem Statement 2:** Students grade 5 Science have not received a Quartile 1. **Root Cause:** Not enough students are scoring in the Mastery level among our comparison group for accountability.

**Problem Statement 3:** Special Education students did not meet the target for Academic Achievement. **Root Cause:** Special Education students are not instructed at the same level of rigor, and/or are pulled out of the general education setting. The achievement gap widens as they move on to a different grade level. Students need more supplemental aids and accommodations to close the gap. A science lab is needed for K-5. Science curriculum and scope and sequence is not defined.

**Problem Statement 4 (Prioritized):** In first grade, only 25% of the students are reading on grade level. **Root Cause:** First grade students not have enough practice with sight words or have limited letter knowledge and letter sounds

**Problem Statement 5:** Early childhood students lack the academic vocabulary and social connections as seen on CLI, TXKEA and teacher observations **Root Cause:** The pandemic and learning in a virtual setting.

**Problem Statement 6 (Prioritized):** Students struggle to solve rigorous math computations. **Root Cause:** Students lack fundamental foundational math skills.

**Problem Statement 7 (Prioritized):** Students lack foundational writing skills such as handwriting, mechanics, fine motor skills, proximal control and stability to compose a writing piece **Root Cause:** Students have spent the last year and a half in virtual learning not practicing these skills.

**Problem Statement 8 (Prioritized):** There is a larger range of reading levels. **Root Cause:** Lack of face-to-face instruction.

**Problem Statement 9:** Students in second grade struggle with writing and counting numbers. **Root Cause:** The students lack the practice.

# School Processes & Programs

## School Processes & Programs Summary

Silva Elementary has a Site-Based Decision Making Committee. Prior to every school year, all staff meet to discuss our campus programs and its structure. During this Campus Needs Assessment Meeting, we discuss ways to improve our systems and make recommendations to address changes. We use historical and current data. Staff analyzes this data and provides constructive feedback with recommendations to our Site-Based Decision Making Committee.

**Strategies:** Our school follows varied reform strategies. Every six weeks, teachers and staff develop strategies to ensure all our students achieve Meets Grade Level Performance or Masters Grade Level Performance. These strategies are based on analyzed data into quintiles and disaggregated by subgroup. Strategies are first identified, implemented, and changed when needed to address each specific student's needs. Also, the strategies that are implemented during the school year are shared during grade level meetings, PLCs, and other staff development sessions. Strategies include; differentiation, daily reading, blended learning, data disaggregation through data binders. As a leadership team we use TTESS Impact Coaching, Instructional Rounds, and conferences with teachers to ensure effective strategy implementation.

**Highly Qualified Staff:** Silva Elementary has a low teacher turn over rate. Teachers work together to build capacity in all content areas through the participation in Professional Learning Communities. When new teachers are hired, a Teacher mentor works with novice teacher to ensure transition, teacher effectiveness and student success. Teachers are also given opportunities to attend staff development. Administration monitors effectiveness of teacher delivery through the use of walkthroughs, observations, and coaching with constructive feedback.

**Recruitment:** When hiring professional and para-professional staff, the hiring committee which consists of administrators, teachers and para-professionals interview highly qualified staff as determined by our Human Resources department.

**Parental Involvement:** All parents are invited to become part of our parent center. Each parent has opportunities to be part of our different community events.

**Positive Learning Environments:** As students transition from grade level to grade level, or have never attended school such as with Pre-Kindergarten students, Silva staff works closely with parents to ensure a positive transition and most effective school-home partnership. This ensures students' affective filters are working together with their academic aspect to ensure success. We have six weeks assemblies, celebrate attendance winners on a weekly/six weeks basis, parent meetings by grade level, and literacy night to promote a positive culture.

**Closing the Gap:** Students who are consistently having difficulty in approaching or mastering grade level content are monitored through Response to Intervention, LPAC committee recommendations, teacher intervention and assistance provided through extended day and tutoring. Teachers are meeting with students and parents every grading period. Teachers and administration are meeting with parents to identify students at Response to Intervention program. Teachers are providing designated supports and accommodations to all students who require these services (RtI, EL, SPED, 504, Migrant, and other at-risk)

## School Processes & Programs Strengths

- Low teacher turn-over rate
- Teacher years of service-Average years experience as a campus is 15
- Number of teachers with graduate degrees
- LIAG trained teachers
- GT Core Trained Teachers
- Technology Google Certified teachers
- 100% of our teachers are remote-learning ready
- 100% of our teachers have their own Google Site

## **Problem Statements Identifying School Processes & Programs Needs**

**Problem Statement 1:** Professional Learning Communities are held within grade levels or teams, and not held vertically (cadres). Teachers are not able to plan vertically. **Root Cause:** Planning time is needed every six weeks to provide teachers enough time to plan effective lessons.

**Problem Statement 2 (Prioritized):** In first grade, only 25% of the students are reading on grade level. **Root Cause:** First grade students not have enough practice with sight words or have limited letter knowledge and letter sounds

**Problem Statement 3:** Early childhood students lack the academic vocabulary and social connections as seen on CLI, TXKEA and teacher observations **Root Cause:** The pandemic and learning in a virtual setting.

**Problem Statement 4 (Prioritized):** Students struggle to solve rigorous math computations. **Root Cause:** Students lack fundamental foundational math skills.

**Problem Statement 5 (Prioritized):** Students lack foundational writing skills such as handwriting, mechanics, fine motor skills, proximal control and stability to compose a writing piece **Root Cause:** Students have spent the last year and a half in virtual learning not practicing these skills.

**Problem Statement 6 (Prioritized):** There is a larger range of reading levels. **Root Cause:** Lack of face-to-face instruction.

**Problem Statement 7:** Students in second grade struggle with writing and counting numbers. **Root Cause:** The students lack the practice.

# Perceptions

## Perceptions Summary

Staff is using Leader in Me language with students to ensure a positive learning environment.

This year, to improve our campus school climate, we will have various school events to showcase our students, staff and parents. During our Campus Needs Assessment meeting, staff included various ideas and initiatives we could implement to make our school great.

The initiatives are;

- Establishing warm, welcoming relationships between students, parents, staff, and administration.
- Reexamination of building for poor air quality or mold
- Allocate money for sound curriculum resources such as Sharon Wells, SIPPs, ABYDOS, and Mentoring Minds resources
- Literacy Night
- Career Day
- AR celebrations/recognitions with colored badges
- School Family Festivals (Fall Festival, Donuts with Dads, Silva Fiesta, Literacy Night)
- Better planning of events, calendars, agendas, and itineraries
- Student success through the literacy focus
- Team-Building Activities
- Including staff members in leadership development

## Perceptions Strengths

- Good teacher/staff morale
- Close partnerships with community organizations and business such as HEB, Chick Fil-A, Golden Corral, Academy, Sonic and Wal-Mart
- Boys and Girls Club-Smart Moves Curriculum
- Leader in Me Language and Perception is improving
- Parents are more involved with school events and learning

## Problem Statements Identifying Perceptions Needs

**Problem Statement 1:** School culture with parents is in need of improvement. **Root Cause:** Parents feel there is a need to showcase more events for our students.

**Problem Statement 2:** Early childhood students lack the academic vocabulary and social connections as seen on CLI, TXKEA and teacher observations **Root Cause:** The pandemic and learning in a virtual setting.

**Problem Statement 3 (Prioritized):** There is a larger range of reading levels. **Root Cause:** Lack of face-to-face instruction.

**Problem Statement 4:** Students in second grade struggle with writing and counting numbers. **Root Cause:** The students lack the practice.

# Priority Problem Statements

**Problem Statement 1:** General Education students who are 504 or Rtl students are not performing at Meets or Mastery level in all content areas.

**Root Cause 1:** Students are need of differentiation/intervention to be able to provide 1-1 or small group instruction.

**Problem Statement 1 Areas:** Demographics

**Problem Statement 2:** Student enrollment has steadily declined within the past 4 years.

**Root Cause 2:** As per parents, Silva needs more engaging, family activities, and community events to market the campus.

**Problem Statement 2 Areas:** Demographics

**Problem Statement 3:** In first grade, only 25% of the students are reading on grade level.

**Root Cause 3:** First grade students not have enough practice with sight words or have limited letter knowledge and letter sounds
