## Demographics

### Demographics Summary

Weslaco East High School is located in Weslaco, TX, in Hidalgo County. Weslaco East is one of two comprehensive high schools in Weslaco ISD, a district of approximately 16,292 students located approximately 8-10 miles from the US/Mexico border. Weslaco is primarily Hispanic although a diverse number of ethnicities are represented. The median cost of a home is \$71,700. The average family size is 3.12. Mean travel time to work for residents is just under 20 minutes. South Texas Community College has a branch in Weslaco that enrolls many area students and Knapp Medical Center provides hospital services to the community.

The Weslaco area encompasses a population of 39,474. Local businesses include retail and service businesses, the school district, higher education, medical professions, and agriculture. Per capita, household income is \$15,676 while the median household income is \$37,057.

27.7% of persons in the area live in poverty.

There are 1985 students enrolled at Weslaco East. The campus is 99% Hispanic and 1% White. 23% of the school population is considered to be English Language Learners, 10% are in Special Education, and 56% are categorized as At-Risk and 88 are categorized as Economically Disadvantaged.

### Demographics Strengths

62% of the teaching staff has 11 or more years of experience with the average years of experience being 15.5.

The campus operates an A/B block schedule with 100 minute classes, and a split block schedule during 1A/1B and 5A/5B. The 2019-2020 school ushered in a change for WEHS. This year, Weslaco EAST moved to a split block schedule. In addition, in-person instruction was interrupted due to the COVID virus. The last time all students were present on campus was March of 2020. This interruption of our learning process ushered in new instructional territory and new instructional challenges. As always WEHS stakeholders rose to the challenge. The 2021-2022 school presents new challenges for all students and staff, as in-person instruction is back in session.

Technology is widely available on the campus. All students have been issued a Chromebook, headset, and carrying case. All teachers have a laptop and overhead projectors in their classrooms.

Weslaco East embodies its purpose by offering a wide variety of high-quality educational offerings to students including many Dual Enrollment core area courses, CTE specific Dual Enrollment and Articulated courses, Advanced Placement and Pre-Advanced Placement courses, functional skills courses and courses leading to an endorsement. Students also have the opportunity to enroll in the Early College High School, and as juniors and seniors, they may apply for the DEMSA (Dual Enrollment Medical Science Academy), DEEA (Dual Enrollment Engineering Academy), DECSA (Dual Enrollment Computer Science Academy), and DECJA (Dual Enrollment Criminal Justice Academy) through the STC Mid-Valley campus. High expectations are held for all students but the staff recognizes that academic and emotional supports are required to help the students meet the high expectations. These supports include tutoring times, extended day, test prep sessions, counseling support, the FAS curriculum, and the student advocates.

Weslaco East opened the doors of an Early College High School in the fall of 2015. The WEHS ECHS graduated its first cohort in May 2019! . WEHS UIL Academic teams have performed strongly in the past several years, including the UIL Accounting Team which has won the Regional title and advanced to state the past several years. Weslaco East has received Performance Distinction Designations in Math and/or Science. Weslaco East students have also performed exceptionally well in the Regional Science Fairs, Business Professionals of America, Athletics, Band, and FCCLA.

### **Problem Statements Identifying Demographics Needs**

**Problem Statement 1 (Prioritized):** Special Education, EL, and Economically disadvantaged students performed lower on state assessments than other subgroups, and many students did not come in to take their state assessments during the Spring of 2020. **Root Cause:** Teachers need additional resources, training, and support to meet the needs of EL, SPED and economically disadvantaged students. In addition, teachers will need support to implement HB4545.

**Problem Statement 2 (Prioritized):** Although Weslaco East High School has created a technology-rich environment for all stakeholders, barriers still exist in the implementation and follow-through of using all of the technological resources available. Teachers also need to implement blended learning to address the COVID gap in learning as in-person instruction has resumed. **Root Cause:** Teachers and staff need additional training on the use, implementation, integration, and follow through with all available technological resources, and the effective implementation of blended learning.

**Problem Statement 3 (Prioritized):** English Language Arts scores continue to be low. **Root Cause:** Teachers need additional support to plan engaging rigorous lessons in order to meet the specific instructional needs of students

**Problem Statement 4 (Prioritized):** Weslaco East did not make gains on the TELPAS state assessment. **Root Cause:** Teachers and students need additional support and training to meet TELPAS goals.

# Perceptions

## Perceptions Summary

Weslaco East High School was awarded the distinction of having a Weslaco East Early College (school within a school). The school prides itself on integrating all stakeholders in decision making and celebrations. We are well known for being a close-knit family school. All students and staff support each other towards a common goal, which is to accomplish the mission and vision of Weslaco East High School and Weslaco East Early College High School.

The school has a positive and safe learning environment for all staff, students, parents, and all community members. As a school, we make sure that our students and Staff are prepared for any emergency. In order to establish a safe school environment, we conduct fire drills once a month and practice lockdown procedures. We also have established hurricane procedures. Security Officers and Administrators are on duty before school, during school, and after school (throughout the day). A Tardy Station program is in place to discourage tardies and encourage students to be in class on time. We have an Attendance Force Task Committee (ATF) made of professionals and paraprofessionals who monitor tardies and are proactively calling parents of students who are absent during the day. We believe that in order for students to be academically successful, they need to be in class for bell-to-bell instruction.

At Weslaco East High school, we have a college-going culture. We have a Family and Student Advocacy classes twice a month during an extended second block, where teachers and students discuss college admission process and financial aid process. Our dynamic counselors hold Junior Conferences with parents and students to discuss college courses offered on campus, college applications, and financial aid applications. We are a Texas Success Initiative testing site, so our students sign up to take the test as needed. We also have an Advance Placement Program and Dual Enrollment Program on campus. Through these programs, students have the opportunity to earn college credits. All our seniors are encouraged to complete ApplyTexas college application through the English classes and Financial Aid application through the Social Studies classes. Students also take the ACT and SAT starting their junior year.

The Weslaco East Early College High School serves students interested in obtaining an associates degree at the same time as their high school diploma, and prepares our students through rigorous, engaging and innovative instruction. The college going culture on campus goes hand in hand with promoting Early College High School initiatives for our students, including our incoming students from the feeder middle schools.

## Perceptions Strengths

Our stakeholders believe that Weslaco East High School maintains and communicates our mission and vision, high expectation for learning, and our values about teaching and learning effectively and clearly. In addition, our stakeholders believe we have the adequate technology resources and services to support our purpose and direction, and to ensure that all students succeed. Weslaco East Early College High school will works collaboratively and harness the skills and talents of our Science, Technology, Engineering, and Math Teachers, so as to increase the number of students who are interested in pursuing STEM fields.
