# Comprehensive Needs Assessment

## Demographics

### Demographics Summary

Weslaco 21st Century CTE Early College is located in Weslaco, Texas, in Hidalgo County. Weslaco 21st Century CTE Early College's main focus is to provide a college degree within the field of the Career and Technical Education Program.

Weslaco 21st Century CTE Early College serves approximately 260 students in 9th, 10th, 11th, and 12th Grade.

Weslaco 21st Century CTE Early College has a partnership with South Texas College and is able to provide certificates and degrees in 5 specialized areas.

Weslaco 21st Century CTE Early College Demographics include 89% Economically Disadvantaged, 42% At-Risk, 25% English Language Learners, and 5% Special Education.

### Demographics Strengths

Our student population is created by in district students from four middle schools. Students who enroll at our campus have an interest in their assigned program. Regardless of students' identified demographics, they are successful in college courses throughout their four years of high school.

### Problem Statements Identifying Demographics Needs

**Problem Statement 1:** Recruitment is still somewhat difficult as students choose the traditional high school setting even after accepting their acceptance letter. **Root Cause:** Students and parents are unaware of the benefits and structure of an Early College High School.

# Student Learning

## Student Learning Summary

### 2020-21 EOC Results

No Campus Rating was given by TEA.

- Science at 96% Approaches; 67% Meets; 24% Masters.
- Mathematics at 68% Approaches; 11% Meets; 6% Masters.
- Social Studies at 89% Approaches; 70% Meets; 39% Masters.
- English 1 at 64% Approaches; 45 Meets; 8% Masters.

English 2 86% Approaches; 68% Meets; 3% Meets

## Student Learning Strengths

Students are enrolled in college courses beginning the second semester of their Freshmen year.

Students become eligible to receive industry certificates during their Junior year depending on their specialization.

Students are completing college courses to receive a professional industry certificate from South Texas College in one of five areas: Advanced Manufacturing Technology, Diesel Technology, Welding Technology, Criminal Justice, and EMT. After completing the degree plan from South Texas College, students will graduate with an Associate's Degree.

Students in the 9th, 10th, 11th, and 12th grades can take a college academic course if eligible.

## Problem Statements Identifying Student Learning Needs

**Problem Statement 1:** Students are unable to reach the Masters Level consistently on the EOC Exams for several years in a row. **Root Cause:** Due to the required student demographics by the Early College Blueprint, as well as virtual learning for a year and a half, students are arriving at our campus with fundamental gaps in the curriculum.

# School Processes & Programs

## School Processes & Programs Summary

The ethnicity in our staff is a Hispanic majority. English and Spanish are the two most commonly spoken languages on campus. The demographics of the staff and students are generally parallel to each other. This past year the campus had one teacher voluntarily leave to the private sector.

The curriculum is aligned with the help of the strategists (ex. Science strategists). We also have the help of online resources like the TEKS resource system. Technology is accessible on campus for teachers and students.

Core teachers are allowed professional learning time to plan with their content.

Campus conducts common-based assessments and benchmarks to gauge students' readiness for the EOC exams.

Parents contact teachers when they notice a change in student academic success/failure; parents seem willing to help their child succeed; parents attend Meet the Teacher Night; parents attend parent-teacher conferences; parents & community attend the campus Fall Festival; parents assist with student fundraisers. Content teachers have phones in their classrooms to contact parents during their conference/planning time.

Our social worker takes the lead in involving parents at our campus and at events.

At the campus, there are two computer labs with one only having a printer. CTE ECHS has a 1:1 program with Chromebooks. Currently, not all teachers have a Chromebook cart as they were disassembled to distribute Chromebooks to students during remote learning. Students have the ability to check out Chromebooks from the library.

One issue on campus is the availability of tutoring for students. The majority of students are off campus half days and do not end their day on campus. For some students, this occurs twice a week and for some every day. Students' schedules interfere when tutoring is available with their specific teacher.

Credit recovery is done on students' own time as there is no room for a credit recovery class in the student's schedule other than the CLE class period on Fridays. The campus does not have a credit recovery teacher, this duty is assigned to a full-time educator to maintain.

## School Processes & Programs Strengths

All teachers are state-certified.

As teachers for WISD, we set the expectations for our students to engage in authentic work and solve complex, real-world problems through the school district curriculum and instruction that is taught daily in the classrooms. Teachers have access to strategists and technical support throughout the district.

Parents have mentioned to teachers that they feel very welcomed when on campus grounds; parents' perception of our school is that we as teachers are being effective and putting our students first.

Communication is translated into Spanish; letters are received in both English and Spanish.

CTE ECHS has a 1:1 program with Chromebooks.

# Perceptions

## Perceptions Summary

The attendance rate for the campus on average is 95%. Due to the campus being small, the randomness of absences create a consistent average. During Remote Learning for the 2020-21 school year, attendance was near 90%

There are very few major discipline issues that result in the removal of a student to a DAEP.

The campus maintains a 100% graduation rate.

New teachers on campus are assigned a mentor to assist with the transition on campus.

Teachers here have mentioned that it is a beautiful and welcoming campus. We believe students have a great opportunity here to receive great life and employable skills. The staff at CTE ECHS promote a family feeling as they know the students and are able to build relations with families.

## Perceptions Strengths

Students feel that our campus provides a family feel to it as we know all students by their names and staff is accessible to them during the day. Students also feel a sense of pride as they are treated like college students at all times on campus.

Students take pride in being college students during their high school years. Students are trusted to take courses off-campus and are successful without administration supervision.

## Problem Statements Identifying Perceptions Needs

**Problem Statement 1:** Attendance should be at 97% or higher due to the importance of attending school and the drop rule from South Texas College courses. **Root Cause:** Students and Parents do not understand the importance of attending school everyday and the consequences of not attending.

# Priority Problem Statements

# Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

## Improvement Planning Data

- District goals
- HB3 CCMR goals
- Performance Objectives with summative review (prior year)
- Covid-19 Factors and/or waivers for Assessment, Accountability, ESSA, Missed School Days, Educator Appraisals, etc.
- Covid-19 Factors and/or waivers

## Accountability Data

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Accountability Distinction Designations

## Student Data: Assessments

- State and federally required assessment information
- (STAAR) current and longitudinal results, including all versions
- STAAR released test questions
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Texas Primary Reading Inventory (TPRI), Tejas LEE, or other alternate early reading assessment results
- Postsecondary college, career or military-ready graduates
- Texas Success Initiative (TSI) data for postsecondary/college-ready graduates data
- SAT and/or ACT assessment data

## Student Data: Student Groups

- Special programs data, including number of students, academic achievement, discipline, attendance, and progress
- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data

## Student Data: Behavior and Other Indicators

- Completion rates and/or graduation rates data
- Attendance data

## Employee Data

- Teacher/Student Ratio
- State certified and high quality staff data
- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data

**Parent/Community Data**

- Parent surveys and/or other feedback
- Community surveys and/or other feedback

**Support Systems and Other Data**

- Organizational structure data

# Goals

**Goal 1: STUDENT SUCCESS/LITERACY FOCUS-** Provide high-quality, engaging, and innovative programs along the continuum of learning environments that develop college, career, military, and service ready leaders.

**Performance Objective 1:** The percentage of U.S. History students who score at the Approaches Level on the STAAR assessment will be at 90%, at the Meets Level 60%, and at the Masters Level at 30% in Spring 2022.

**Evaluation Data Sources:** STAAR Data

Strategy 1 Details	Reviews			
<b>Strategy 1:</b> Utilize district department-made assessments to assess student mastery of objectives and make appropriate instructional adjustments departmental/individual teacher analysis of student data teacher/student conferences regarding benchmark results  Utilize a variety of classroom assessments to assess student mastery of objectives and make appropriate instructional adjustments <b>Strategy's Expected Result/Impact:</b> Teachers will be able to monitor specific SE mastery with students throughout the year. It will allow the reteaching of SE's that are not mastered. <b>Staff Responsible for Monitoring:</b> Principal History Teacher <b>Title I Schoolwide Elements:</b> 2.4	Formative			Summative

Strategy 6 Details	Reviews			
<b>Strategy 6:</b> Utilize content specific vocabulary cards for all general ed, LEP, and SPED students such as Flippity. <b>Strategy's Expected Result/Impact:</b> Increase academic vocabulary for ELL and SPED Students. <b>Staff Responsible for Monitoring:</b> Principal and Teachers <b>Title I Schoolwide Elements:</b> 2.4	Formative			Summative
	Nov	Jan	Mar	June
Strategy 7 Details	Reviews			
<b>Strategy 7:</b> Purchase a class set of Sirius Biology EOC review books to use with Biology students. Purchase and train teachers on additional Physics and Chemistry curriculum resources and materials as needed. Purchasing equipment needed/materials to ensure student success for STAAR. <b>Strategy's Expected Result/Impact:</b> Mastery of TEKS <b>Staff Responsible for Monitoring:</b> Principal and Teachers <b>Title I Schoolwide Elements:</b> 2.4	Formative			Summative
	Nov	Jan	Mar	June
Strategy 8 Details	Reviews			
<b>Strategy 8:</b> The usage of edpuzzle as a tool for students to have access to videos and assignments at any time. This helps them to review key concepts of biology. <b>Strategy's Expected Result/Impact:</b> Provides more opportunities for learning outside the school walls. Helps the students master objectives due to having more access to pertinent information. <b>Staff Responsible for Monitoring:</b> Teachers <b>Title I Schoolwide Elements:</b> 2.4	Formative			Summative
	Nov	Jan	Mar	June
<div>  No Progress            Accomplished            Continue/Modify            Discontinue         </div>				

**Goal 1: STUDENT SUCCESS/LITERACY FOCUS-** Provide high-quality, engaging, and innovative programs along the continuum of learning environments that develop college, career, military, and service ready leaders.

**Performance Objective 3:** The percentage of Algebra I students who score at the Approaches Level on the EOC assessment will be at 90%, at the Meets Level 60%, and at the Masters Level at 30% in Spring 2022.

**Evaluation Data Sources:** STAAR Data

Strategy 1 Details	Reviews			
<b>Strategy 1:</b> Implement Staff Development strategies and activities which are aligned with District Curriculum by providing: 1. TI-Calculator(s)/TI Smart-view Training- TI 84 Plus Calculators (Charging Box) & AAA batteries, are needed to enhance the learning process and for the purpose of testing Algebra 1 STAAR.  2. Technology training such as Edmodo, Google Apps, google classroom and Flipping the Classroom <b>Strategy's Expected Result/Impact:</b> Mastery of TEKS and higher EOC scores for all students. <b>Staff Responsible for Monitoring:</b> Principal and Teachers <b>Title I Schoolwide Elements:</b> 2.4	Formative			Summative
	Nov	Jan	Mar	June
Strategy 2 Details	Reviews			
<b>Strategy 2:</b> 1. Follow district scope and sequence-TEKS Resource 2. Develop activities and align reviews with TEKS, EOC formatted like Spring Release test of 13, 14, 15, 16, 17, 18, to improve EOC scores. 3. Purchase/Use the TI-Calculators/TI-Inspires to teach the math curriculum in Algebra I, Algebra 2, and Geometry, Pre-Calculus, & College Algebra  4. Smart Board and TI-Smart View Calculator Emulators & use of Chromebooks  5. Incorporate the use of Spanish-English Dictionaries.  6. Edmentum Math Prep online student tutoring service for Algebra I, Geometry, Algebra II, ACT and SAT  7. Edpuzzle Prep online videos to enhance the flow of the teaching lesson. (Upgrade to Edpuzzle Pro will benefit teachers at CTE ECHS) <b>Strategy's Expected Result/Impact:</b> All students including ELL and SPED will master the TEKS and score at the MEETS/MASTERS level on EOC <b>Staff Responsible for Monitoring:</b> Principal and Teachers <b>Title I Schoolwide Elements:</b> 2.4	Formative			Summative
	Nov	Jan	Mar	June

Strategy 3 Details	Reviews			
<b>Strategy 3: Instruction:</b>  1. Small group and individualized instruction will be provided to select ESL students  2. Computer-enhanced instructions integrating technology into all math subject areas such as Smart Boards, mini IPAD, TI-Calculators , Imagine Math.  3. Students who are needing extra assistance will be assigned Algebra 1 advisory class.  4. Common appropriated Math vocabulary list will be developed (word walls) and displayed.  5. Incorporate more open-ended questions  6. Implementation of daily EOC openers addressing areas of weakness.  7. Implement the use of interactive math journal, and graphing paper.  8. Incorporate variety forms of formative assessments including the use of technology  9. Emphasize math vocabulary and content knowledge through use of Frayer Model Graphic Organizers, Journal Writing, and foldables  10. The frequent use of google classroom, edpuzzle, and curriculum pathways will be emphasize throughout the school year.  <b>Strategy's Expected Result/Impact:</b> All students including ELL and SPED will master the TEKS and score at the MEETS/MASTERS level on EOC <b>Staff Responsible for Monitoring:</b> Principal and Teachers <b>Title I Schoolwide Elements:</b> 2.4 <b>Funding Sources:</b> Purchase Vocabulary Cards specific to the Algebra 1 EOC - Title 1, Part A - \$500	Formative			Summative
	Nov	Jan	Mar	June

Strategy 4 Details	Reviews			
<b>Strategy 4:</b> Achieve growth in number of successful students by:  1. Holding tutoring sessions for all students scoring below mastery on benchmark assessments after school or on Saturdays.  2. The frequent use of google classroom, edpuzzle, and curriculum pathways will benefit to the rigor and the academic success of the students.  <b>Strategy's Expected Result/Impact:</b> All students including ELL and SPED will master the TEKS and score at the MEETS/MASTERS level on EOC <b>Staff Responsible for Monitoring:</b> Principal and Teachers <b>Title I Schoolwide Elements:</b> 2.4	Formative			Summative
	Nov	Jan	Mar	June
