

Behavior Management

Behavior Management is a team effort between the school and home. We ask for your support as we help children learn to conduct themselves in a manner that will promote a safe, orderly, learning environment for everyone.

Boulton School Wide Expectations

1. Keep hands, feet, and objects to self.
2. Be at the proper place at the proper time.
3. Be kind by saying positive words and using positive actions with others.
4. Take care of the property inside the school as well as school grounds.
5. Follow directions the first time asked.

If the above expectations are not met, the following events will take place:

1. Verbal Warning.
2. Think Time (Mindset Reset ~ Buddy Room).
3. Below the Line Behavior Alert form filled out by teacher and student (student will also sign) and sent home for parents to read, sign, and return.

A classroom rewards activity will be scheduled for students to earn a “whole class” reward. As students transition to and from various areas within the building and participate in prep classes, the entire class has opportunities to earn a gold star. After a certain amount of stars have been earned, the entire class will earn a reward from administration.

“Boulton Bobcats Thinking and Acting Above the Line”

Our theme for this year is “TEAM: Together Everyone Achieves More – We are Boulton! #Bethethegamechanger.” As we focus on the positive behavior, often times the negative behaviors fade away. Each month our school will focus on an “Above the Line” characteristic. Those students demonstrating this characteristic in an exceptional manner, will be recognized for their efforts. Once a month, the four students chosen throughout the month will attend an activity with the principal. The students will attend lunch with the principal and have his/her picture placed on our “Above the Line” board. Our school counselor, Miss Shannon will be teaching our Bobcats to roar and encourage each teammate to be the best version of themselves. We will

focus on a different part of the word “Roar” each term: 1st term – R, 2nd term – O, 3rd term – A, and 4th term – R.

Boulton Elementary has a Zero Tolerance for Bullying

Behavior Alerts

In order to maintain consistency across all settings outside of the classroom, we have implemented a behavior alert system for negative behavior. Our playground people, library/media, and specialty class teachers will fill out a behavior alert detailing the negative behavior of any student. This is then taken to the classroom teacher who decides the consequence. Classroom teachers also will fill out the behavior alert detailing the negative behavior of any student within the classroom. The **Below the Line Behavior Alert** form will need to go home, be signed by a parent, and returned to the school.

If a classroom teacher feels necessary, a call home will be made. If the infraction requires further intervention, it will be brought to the attention of administration. The form **Boulton Elementary Administration Referral** will be filled out for administrative intervention.

Safe School Policy

By District mandate we will implement a safe-school policy.

Suspension from school may occur if/for:

1. Fights
2. Profanity
3. Weapons (real, home-made, or toy)
4. Harassment (verbal/physical/sexual)

School Administration will be involved in all safe school issues. An **Administration Referral** form will be sent home.
