

Limited-time fast-track school vaccine clinic*

Is your child out of school because
their vaccines aren't up to date?
We can help!

Open to all school-aged children who need to get
caught up on vaccines to return to school.

October clinic dates are available.
Appointment required.

*These fast-track clinics are for vaccines
only. Physicals will need to be scheduled
for a separate visit with your child's primary
care provider. All children will receive
vaccines, regardless of ability to pay.

Call today and ask for
the school vaccine clinic
