Some reminders about COVID rules:

- a. Quarantine is 14 days. While the VDH allows some flexibility in quarantine length in unique circumstances, we are not “eligible” for those given our community transmission rate. No negative test is required to return from quarantine (just no symptoms).
- b. Quarantine is NOT required for vaccinated individuals (students and staff) with no symptoms. A test is recommended (not required) between Day 3-5. The individual should not stay home while they are waiting for results.
- c. Isolation (for positive individuals) is 10 days. No negative test is needed to return (just no symptoms).

As you continue to get the hang of this unique school year, there have been several questions about the proper QA and QP coding so we wanted to take a moment to walk you through it.

The details below are a quick summary, but a more robust guide can be found [HERE: Aspen User Guide for Schools](#)

When you navigate to your student roster, you should see the row of buttons in line with each student on your roster as reflected in the below image. The QA and QP are highlighted in Red in this image but are not highlighted in red in ASPEN. This is just to show the new codes.

This chart shows the list of codes, and combinations, that are legitimate codes in ASPEN for attendance. Below the chart is a description of how each should be entered.

Attendance Coding Guidance			
Attendance Status	Button to Click	Code	Attendance
Present	P		Present
Absent, Unexcused	A	A	A
Absent, Excused	A	A-E	A-E
Quarantine Absent - Unexcused	QA	A QA	A QA
Quarantine Absent - Excused	QA	A-E QA	A-E QA
Tardy	T	T	T
Early Dismissal	D	D	D
Quarantine Present	QP	QP	QP

While ASPEN may allow other combinations, **no other combinations of codes are legitimate.**

Steps for each Attendance Status:

Present

MAKE A POSITIVE/HONEST CALL TO PARENTS IN THE FIRST MONTH

Office of The Principal

ASPEN defaults to present. If attendance is not actively taken daily all students on the roster will have 100% attendance. Please practice clicking on the "P" button, as this is good practice to ensure no students are missed. Once selected, the other buttons will be grayed out. Once completed, the "Code" column will be blank, however, the "Attendance" Column will read "Present"

Absent, Unexcused

Enter an absence by first clicking on the "A" button. This will bring up a popup window. Verify "Absent?" is checked. You do not need to take any additional action on this popup window. Hit "Save". Once completed, the "Code" Column and "Attendance" Column will both read "A".

Absent, Excused

Enter an excused absence by first clicking on the "A" button. This will bring up the popup window. Verify "Absent?" is checked. On this popup window, you will need to also click the check box for Excused. Hit "Save". Once completed, the "Code" Column and "Attendance" Column will both read "A-E".

Quarantine Absent, Unexcused

To enter an absence for a student who is currently under quarantine click on the "QA" button. This will bring up the popup window. On this popup window, you will see "Absent?" is already checked and "QA" is selected from the dropdown listing. Verify the "QA" is selected and "Absent?" is checked. Hit "Save". Once completed, the "Code" Column and "Attendance" Column will both read "A QA".

WHEN DO I MARK A STUDENT "A QA"?

If a student is under quarantine due to exposure, but tested negative or being isolated due to testing positive, but is asymptomatic, yet is not actively engaged on the virtual class platform or is not completing the assigned course work from the teacher, this student should be marked as "A QA".

Quarantine Absent, Excused

To enter an excused absence for a student who is currently under quarantine click on the "QA" button. This will bring up the popup window. On this popup window, you will see "Absent?" is already checked and "QA" is selected from the dropdown listing. Verify the "QA" is selected and "Absent?" is checked check off the "Excused?" box and hit "Save". Once completed, the "Code" Column and "Attendance" Column will both read "A-E QA".

WHEN DO I MARK A STUDENT "A-E QA"?

If a student is being isolated due to testing positive and is unable to engage virtually as a result of symptoms this student should be marked as "A-E QA".

Tardy

Enter a late arrival/tardy by first clicking on the "T" button. This will bring up the popup window. Verify "Tardy?" is checked. On this popup window "Time In?" will auto-populate the current time. Update the time if needed to accurately reflect the time the student arrived. Hit "Save". Once completed, the "Code" Column and "Attendance" Column will both read "T".

Early Dismissal

Enter an early dismissal by first clicking on the "D" button. This will bring up the popup window. Verify "Leave Early?" is checked. On this popup window "Time Out?" will auto-populate the current time. Update the time if needed to accurately reflect the time the student was dismissed. Hit "Save". Once completed, the "Code" Column and "Attendance" Column will both read "D".

Quarantine Present

To enter a Quarantine Present for a student who is currently under quarantine click on the "QP" button. This will bring up the popup window. On this popup window, you will see "QP" is selected from the dropdown listing. Verify the "QP" is selected and nothing else is checked. Hit "Save". Once completed, the "Code" Column and "Attendance" Column will both read "QP".

WHEN DO I MARK A STUDENT "QP"?

If a student is being isolated due to testing positive, but not experiencing symptoms preventing the student from engaging, or is being quarantined due to exposure, but is actively engaging virtually to meet the teacher assigned work expectations this student should be marked as "QP".

From Mr. Jaimson

We have officially completed our initially scheduled test dates for Virginia Growth Assessments!! I would like to thank all the staff who have been so accommodating and patient with me as I navigated my way through coordinating testing for the first time. I would like to give a particular shoutout to the SPED team Cpts Scott and Loney, and Major Claiborne who were so patient as I switched assignments on them every morning, as well Dr. Smith and Cpt Frierson who were more than helpful with providing resources and tips. Beginning tomorrow and continuing into Monday, I will be pulling 6th grade math students who did not test today during their designated block into the media center to complete their tests. Next week beginning on Tuesday, October 12th until Friday, October 15th I will attempt to pull the following students during their first or second blocks to complete their reading and/or math assessments. Thank you for your continued patience as we wrap up this round of testing.
