

# NAZARETH ACADEMY HIGH SCHOOL

## *2020–2021 Annual Report*

# A Letter from the President

Dear Nazareth Academy Community,

The last year has certainly underscored how vital it is to strengthen and live out our mission of embracing faith, family, and education. Our students, faculty, and staff display incredible poise, courage, and commitment to make that happen. Rooted in the charism of the Sisters of the Holy Family of Nazareth, our academics, service programs, and student life form our

students into the virtuous leaders of tomorrow. We continually challenge the young women of Nazareth to do their part to make this world better than they found it, to make a difference in the lives of those around them, and we trust that they will.

Nazareth could not do what it does without the generous support of our caring community. Even during a pandemic, switching gears and pivoting our events, our Advancement Team had a record year of fundraising! We are so thankful for the generosity of so many alumnae, parents, friends, and businesses that benefits each one of our students every day. We encourage all our community to join us in our efforts by giving of your time, talent, and treasure. With your partnership, we will continue to transform our young women and ensure that tomorrow is a better place for us all.

It continues to be my privilege to serve the Nazareth community. It is with a grateful and humble heart that I thank you for your trust in Nazareth Academy High School.

May the Holy Family of Nazareth bless you and keep you safe.

Blessings,

Denise LePera, M.S.  
President

# Nazareth's Curriculum Provides Path to Academic Excellence

*Nazareth's 8 to 1 student: faculty ratio enhances the academic experience.*

Mother Foundress, Blessed Mary of Jesus the Good Shepherd once wrote, "Jesus conducts us along the safest, the most suitable path for us."

At Nazareth Academy, students have many suitable paths to pursue academic excellence. A rigorous and diverse curricular program, led by talented and knowledgeable teachers, forms these numerous paths. From the moment a student arrives as a freshman, she can pursue academic excellence in a wide array of areas, including STEM, performing and fine arts, and humanities. Also, 16 Advanced Placement courses and partnerships with Holy Family University and the Arrupe Virtual Learning Institute broaden academic opportunities for students.

Almost every freshman student, other than music majors, takes a Freshman Experience block that includes courses in STEM, music, fine arts, and social-emotional development. Foundations of STEM is a major component of the Freshman Experience block. For this course, students work collaboratively in the state-of-the-

art Innovation Center, which opened in 2020. This course is not solely about STEM; it is about developing essential skills needed not only for courses across the curriculum, but also for the real world. These skills, with a focus on using them ethically, include creativity, collaboration, problem solving, and critical thinking.

These paths are supported by the college preparatory scheduling model utilized at Nazareth. Most juniors and seniors carry eight courses per year, pursuing their passions in different subject areas and electives, maximizing their opportunities. Carrying eight courses is only possible through this college prep schedule model which allows for lunch during Activity Period, between second and third blocks. Popular

and challenging electives have been introduced within the last few years such as Criminalistic Forensics, Engineering, and Epidemiology, to meet student need and demand. This schedule, with 80-minute blocks, also models schedules at the college level, preparing students for what they will face after graduation from Nazareth.

Our Academic Enrichment Program supports paths for students with learning differences to pursue academic excellence. The opportunities, without any modifications to the rigorous, college prep curriculum, that a Nazareth education has to offer are available to all students, regardless of learning differences. Students in the program receive specific programming and accommodations to address their learning differences. All learners achieve great success at Nazareth.

The academic curriculum at Nazareth Academy provides many paths to pursue academic excellence, challenging each student to attain her full potential academically, spiritually and personally.

*Our STEM Curriculum develops essential skills that our students will use in the real world.*

*The Academic Enrichment Program supports students' needs without modifications to our rigorous college-prep curriculum.*

# Why I Support Nazareth

## Renee Rusdon Keator '93

My time at Nazareth Academy truly shaped me into the person I am today. Nazareth provided me with countless opportunities, both educational and service, that I am thankful for to this day. One of the best decisions I ever made was being involved in CSC and community service at St. Francis soup kitchen. Not only am I still involved with that organization today, but while volunteering there through Nazareth, I ended up meeting my husband, Fred, while serving at the St. Francis soup kitchen together.

Nazareth prepared me not just for college but for life. I had many great teachers there that have remained a positive influence on me. From Sister Josepha to Sister Mary Joan — they pushed me outside of my box and shaped me into the woman, wife, and mother I am today. Not only did Nazareth provide a solid educational foundation, but it gave me a good work ethic while reinforcing Catholic values. Nazareth was, and continues to be, a place where young women are encouraged to explore and to excel.

My husband, Fred, and I are adamant in our support of Nazareth Academy. We firmly believe in the powerful impact that Catholic, single-sex education has on young minds and recognize through our own experiences, and those of our children, the powerful way it can influence one's life. I am extremely grateful for my Nazareth experience and want to provide that same opportunity to other young women. I also realize that many women do not support their educational institutions in the same way that men do, and I want to be a leader in changing that so future women can receive the same opportunities as their male counterparts.

## Charles and Nina Tanghe '98 Ingulli

The experience that I had at Nazareth Academy is a huge component to the many successes that I have had both during my career, working as financial advisor and owning an Ameriprise franchise, and in my personal life as a wife and mother. Outside of academics, some of the most important life lessons I learned happened during my time at Nazareth Academy. I was taught the value of family, how to prioritize my goals, both personal and professional, and the true meaning of sisterhood. Experiencing and being a part of the sisterhood is something that I not only cherish for myself, but hope that one day my daughter, Madeline (11), gets to experience as well.

After graduating from Nazareth in 1998, I went on to attend Villanova University, majoring in finance. I have worked for the same company since I graduated college in 2002 and am now a proud owner of an Ameriprise franchise myself. During my time at Villanova, I met my husband Charles, and we married in 2007.

Charles and I have resided in Langhorne since 2005 and became parents to our daughter, Madeline, in 2010. Madeline is currently in sixth grade at Nazareth Academy Grade School. Our family is committed to supporting Nazareth Academy and ensuring that this wonderful school continues to flourish and grow. To us, Nazareth is family and that is why I volunteer for Nazareth, why my husband Charles is a board member, and why Nazareth will always remain at the top of our donation list. We can't wait to see Nazareth continue to grow and produce the leaders of tomorrow!

# Why I Support Nazareth

## Eileen Greeley Krichen '62

I always had high expectations of my experience attending Nazareth Academy as a member of the Class of 1962. Even in 1958, I realized how lucky I was to receive a four-year scholarship to Nazareth. My Nazareth memories are full of hard work, fun times, and good friends and I couldn't think of a more supportive and friendly environment to spend my high school years.

After graduating as valedictorian in 1962, I was among a handful of women that continued my education at Temple University's school of business. Upon graduation from Temple, I became one of the first three women hired by the Federal government in Philadelphia to become a National Bank Examiner. Over the course of the next 15 years of working for the Federal government, I married my husband, John, and we relocated to Central Pennsylvania. Our first daughter, Betsy, was born when I was 39, and two years later, we had our daughter, Molly.

During the 1980s, I left my job with the Federal government to focus on family and raising our two young daughters. While my girls were growing up, I was able to contribute to various community organizations as well as the public-school system. I was a proud founding, organizing and supporting member of the New Oxford Area Library from its inception in 1983 until my "retirement" in 2016.

I resumed my career with the Federal Government in 2000, this time working in Washington D.C. with the Eisenhower Memorial Commission. While I retired from my position with the Commission in 2008, I was proud to be there for its dedication in 2020.

I am passionate about my support of Nazareth, and "I want to see Nazareth Academy continue to grow and thrive. I give to the tuition assistance fund each year to pay back what I was given and to enable more girls to have the advantages of a Nazareth education." Supporting Nazareth is critical in this day and age with "school choice more important than ever today."

# Why I Support Nazareth

## Jackie Garzone Stone '96

Although I graduated from Nazareth 25 years ago and much has changed in my life, my time there was a critical component to my path forward and helped shape the woman I am today. I graduated in 1996 from Nazareth and went on to attend the Wharton School at the University of Pennsylvania, majoring in Finance and Marketing and graduating Magna Cum Laude.

I began my career at Donaldson, Lufkin and Jenrette in New York City as an analyst in Investment Banking. My career progressed, and I ultimately became the head of the group and the first female on our Executive Committee. As one of 30 female Managing Directors, we were chosen to identify an issue at the firm and work with the Board of Directors to address it. We worked to change and improve the structure of the Investment Banking Analyst Program to ensure work/life balance and rewarding assignments for incoming employees.

During my time as the Head of Diversity for Leveraged Finance, I worked to ensure women and racially-diverse employees were given opportunities to be hired, trained, and developed in order to achieve success at the firm. After 20 years with my firm, I retired from Credit Suisse this year and shifted my focus to spending more time with my children and helping children in need through two charities about which I am passionate.

Nazareth taught me the importance of self-confidence and self-worth. We were young girls maturing into young women, and at this critical turning point, we

Members of the Class of 1996 gather at their annual reunion. To schedule your reunion, contact [Alumnae@NazarethAcademyHS.org](mailto:Alumnae@NazarethAcademyHS.org).

were challenged to truly invest in our future, to learn and grow both academically and socially. During my time at school, I was afforded the opportunity to build my self-esteem through a vast variety of extracurricular activities. I was exposed to healthy competition, performing in public and bonding with the women from our school. Our traditions such as Freshman Day, Ring Day, Blue & Gold Day and Class Day foster a sense of belonging and pride in self and school.

It was at Nazareth that I met my closest friends: friends who would be my bridesmaids; friends that I called first with news of my engagement and births of my children; friends who were there for me when my grandmother passed; friends that have become my family. These women formed an unparalleled support system; they know me in the truest way possible (and still love me)! We have reveled in each other's success and have been a pillar of strength and support for one another during difficult times of our respective journeys. A group of us gather once a year to reminisce, share our experiences over the course of the year, and simply enjoy being in one another's company.

Nazareth is part of my actual family now as well. My sister, Jenna, is a junior at Nazareth. I could not be prouder of the strong young woman she is. Jenna has discovered the same strong friendships, along with opportunities to compete in athletics, to challenge herself academically and to grow as a person. I am incredibly excited for her to take her own journey at this special place.

# Why I Support Nazareth

## Steve and Grace Pirolli P '22

As 1985 graduates of Merion Mercy Academy and Saint Joseph's Preparatory High School, my husband Steve and I knew we wanted the same type of private Catholic education for our daughter, Ella '22. We understood the importance of attending a high school that not only offered a rigorous college preparatory curriculum, but also a family environment, a "Sisterhood" where friendships could be made that would last a lifetime; a place that Ella could call her "second home." Nazareth Academy's deep-rooted sense of family was portrayed by the faculty, administration, current students, and parents that we met during our Open House and interview process. Knowing that "family" is the single most important influence on a child's life, NAHS seemed to be the perfect fit for Ella's high school education.

From Ella's first week as a freshman to now entering her senior year, Nazareth is everything we expected it would be. The NAHS Sisterhood encourages loving and accepting a person for who they are, and consistently inspiring that person to reach their highest potential. The "Sisterhood" continuously empowers our girls to become the best version of themselves every day through community service, athletics, student government, clubs, organizations, and having fun. There is truly a place for everyone. Academically, NAHS challenges Ella daily to strive for excellence, to build character, and to develop leadership, which when combined, serve to educate the whole person. The NAHS education model has been highly successful

in allowing Ella to grow intellectually, spiritually, and socially. As parents, we simply could not be happier.

Steve and I realized early on that NAHS relies heavily on parent support to mold our girls into inspired life-long learners and to develop them into the future leaders of our society. We decided to support NAHS in any way that we can via financial donations and volunteer service opportunities, all for the betterment of our school and our girls. Our commitment was further enhanced when I became the President of NAPA (Nazareth Academy Parents' Association) in the Spring of 2020. The COVID pandemic was in full-swing when I assumed the Presidential role, so I was unclear as to how I was going to make my time as NAPA President a successful one. Fortunately, with lots of creativity and by "thinking outside the box," we were able to excite the entire Nazareth Community, including alumnae, to help make last year one of NAPA's best years in NAHS history! I am so grateful for the outpouring of support that NAPA has received during the most difficult year in the school's history, and quite possibly one of the most difficult in our Nation's history. The show of support has been nothing short of AMAZING! This being yet another example of the NAHS Sisterhood in action and why Nazareth was most definitely the right place for Ella.

Steve, Ella, and I are happy to have become part of the Nazareth Academy Community and will continue to support NAHS for years to come.

## A Letter from the Board Chair

Dear Alumnae, Parents, and Friends of Nazareth Academy,

I hope to find you in good health and happiness. We are meeting our challenges head on, and in this annual report, you will learn about the exceptional things happening at Nazareth Academy High School. Driven by our mission of embracing faith, family, and education, the Nazareth school community has been united in ensuring Nazareth not only survives but also thrives as we advance our mission.

Nazareth has always been more than a school to its students. It is the first step young women take in their journey of becoming an impactful member of society. This is fostered by Nazareth's efforts to teach students how to think, communicate, challenge, and interact with others. With the support of faculty, staff, family, and friends, graduates walk out of Nazareth ready to lead and make their mark on society. None of this would be possible without the year's successes: A school with a senior class that earns over \$30.6 million in scholarship funds; a school with a state-of-the-art Innovation Center providing critical STREAM experience for students; a musical program that cannot be matched; and athletic teams that not only result in championships but in students ready to translate the skills they've learned on the field into ones that will carry them through life.

Generous donations to the Nazareth Fund and other philanthropic activities ensure that Nazareth will continue to develop young women into the female leaders of tomorrow. On behalf of the Board of Trustees, thank you for your generosity.

We don't know what the future holds, but one thing we can count on is that Nazareth will meet the challenges ahead.

May the Holy Family of Nazareth bless you and keep you safe,

*As part of our mission, the Nazareth school community gathers regularly as a family to celebrate and strengthen our faith.*

## Virtual Legacy Gala Honoring Nazareth Sisterhood Raises Over \$70,000

The Legacy Gala is a way for our community to come together and celebrate those who have contributed to the growth of Nazareth Academy High School. Each year, we honor those who have supported Nazareth Academy High School's mission of embracing faith, family and education in some way — academically, financially, philanthropically or through community. Although we were unable to gather in person this year, the 2021 Virtual Legacy Gala was a huge success! The Virtual Legacy Gala consisted of an online auction the week leading up to the event, with a live, pre-recorded online program on the evening of April 16, 2021. This year, we honored the Nazareth Academy High School Sisterhood — past, present and future. We would not be Nazareth Academy without the generations of young women who have entered through our doors as girls and left as young women ready to change the world. At the conclusion of our live program that evening, we all

turned our cameras on and joined together virtually for a live toast to the Nazareth Sisterhood!

Thank you to all who supported the 2021 Virtual Legacy Gala! Whether you attended the virtual event, donated items, purchased items, supported Fund A Dream, or participated in the Alumnae or Parent Challenges — thank you!! Because of your support, we were able to raise nearly \$70,000!! Your generous contributions will help to make a young girl's dream of receiving a Nazareth education a reality.

## 10th Annual Panda Golf Classic

The 10th Annual Nazareth Academy High School Panda Golf Classic was a success in part to our generous sponsors and the 40 golfers that braved the heat and lightning delays for an enjoyable day for all! Nazareth Academy High School thanks all of our participants and sponsors of this important fundraising event. Because of your generosity, we were able to raise over \$22,000 to support tuition assistance for Nazareth Academy High School students in need. We thank the Union League Golf Club at Torrance for providing

us with a beautiful venue for our event. Please join us again next year for a great golf experience and for a great cause — OUR GIRLS! We look forward to seeing you next year at the 11th Annual Panda Golf Classic on June 8, 2022!

# Redirect a Portion of Your State Taxes to the Students of Nazareth Academy

# The Nazareth Fund

Each day a young woman spends at Nazareth is made possible by the Nazareth Fund.

Our annual fund is the school's lifeblood. It provides the support required to enhance the breadth and depth of its curriculum, attract and retain the finest faculty, augment financial aid, and sustain the operation and maintenance of its facilities.

*Every gift you make to the Nazareth Fund impacts the daily lives of our students and faculty.*

Please accept our heartfelt thanks for the important role your support plays in educating and challenging each of our young women to attain their full potential — academically, spiritually, and personally — young women who are charged with changing our world.

## *Congratulations to the Class of 2021*

On June 4, 2021, 101 members of the Class of 2021 joined the ranks of the Nazareth Academy alumnae. We were so proud to be able to come together to celebrate the hard work and many achievements of these young women. These young women came together to successfully rise above the challenges of the past

year with grace, dignity and resilience, receiving over \$30 million in scholarships and grants. We know that they will continue to make us proud in their future endeavors and will make their mark on the world. We will miss you, Class of 2021! Know that you always have a home here on Grant Avenue!

## Inspire Others and Create a Lasting Legacy with a Planned Gift to Nazareth

*Making a planned giving commitment to Nazareth allows you to leave your legacy at the school that has meant so much to you and to thousands of women since 1928. A planned gift to Nazareth may cost you nothing out of pocket today and help the school's future strength and prosperity. Planned gifts are structured donations, built in consultation with the donor's advisors, intended to benefit Nazareth and to optimize the donor's financial, tax and/or estate plan.*

There are a variety of assets that can be used to complete your planned giving support for Nazareth Academy High School:

- **Cash** (through bequests)
- **Securities**
  - o The best stocks to use for charitable giving are those that have increased greatly in value, particularly those producing little income. By donating the security to a charitable organization like Nazareth Academy High School, you avoid paying capital gains taxes.
- **Real Estate**
  - o A gift of real estate offers you the opportunity to make a significant charitable contribution with a tax-friendly outcome. Such real estate may be a personal or vacation home, commercial building, or undeveloped property. You can make an outright gift, a gift that is retained for your life, or a bargain sale where you receive some of the cash value and convey the rest to Nazareth.
- **Life Insurance**
- **Tangible Personal Property**
- **Retirement Plan Assets**

Your planned gift makes you a member of the *Blessed Mary of Jesus the Good Shepherd Society*, which honors and recognizes individuals who provide for NAHS through planned gifts.
