

Administrator Responsibilities

As a school striving to meet the state's high academic standards, administration will share the responsibility in improving academic achievement this year by:

- Creating a welcoming school environment for students, parents, and staff
- Setting high standards for teachers, other school staff, and students
- Ensuring that instruction is delivered by teachers that are highly qualified
- Inviting parents/guardians to participate in school decision making, events, Title I workshops, parent nights, and volunteering
- Communicating to parents/guardians through our phone call system, newsletter, and email
- Providing up to date website information
- Providing a safe school environment for all students, staff, volunteers, and visitors
- Helping parents understand Maryland College and Career Readiness Standards
- Providing continuing education and professional development for staff and parents
- Listening to and addressing students claims of bullying

The purpose of the Home/School compact is to set the responsibilities of Administration, Teachers, Parents, and Students for the next school year. This compact is sent home in the fall of each school year. The Home/School compact requires signatures for all parties stating they are in agreement with their responsibilities for the year.

Parents and guardians are asked to attend meetings annually to provide input in the compact. If they cannot attend the meeting, they can provide their input on a sample form and return it to the school for their consideration.
