Good afternoon,

Pursuant to the Freedom of Information Act and the Illinois Educational Labor Relations Act, I am writing to request the following information electronically (preferably as an Excel file). Similar requests are being sent to districts throughout the state – This request, therefore, is *not* only in regard to employees in your district. Nor is it related to any matters regarding employees you *may* have, represented currently by IEA (e.g., upcoming contract talks, etc.):

- The names of all non-certified support staff employed by Norridge School District 80;
- Their job titles;
- Their date of hire;
- Their work building and its address;
- The number of hours they are scheduled or have worked per week;
- The number of hours they are scheduled per year;
- Their collective bargaining unit status (i.e. whether or not they are covered by a collective bargaining agreement) and, if they are in a bargaining unit, the name of the labor organization with which that unit is affiliated;
- The identity and services provided of any subcontracted companies currently engaged in district support staff work (including but not limited to: transportation services (regular or special ed), food services, custodial services, technology services, and security services)

Please forward this information to me electronically at your earliest convenience.

If you have any questions, don't hesitate to call. Thank you in advance for your attention to this request. I will confirm receipt on your response.

Thank you,

Joe Hart
